The Songs Of Power A Northern Tale Of Magic Ancient Fantasy Book :

The Songs of Power Aaron Shepard, 2022 Not so long ago in the tiny isolated villages of Finland where prolonged summer days gave way to endless winter nights people would pass the time by singing the many adventures of their favorite heroes the mighty magical men and women of ancient days They sang of old Vainamoinen greatest of sages and magicians who helped create the world but never could find a woman to wed him They sang of his friend and ally Ilmarinen first among craftsmen the blacksmith who forged the dome of the heavens They sang of Louhi the ancient lady of Northland whose crafty wit and magical powers made her a worthy opponent for Vainamoinen himself And they sang of Aila Louhi s lovely daughter who captured the hopes of the two old friends and drew them as rivals to the shores of Northland And while these songs could still be heard there came along a rural doctor a scholar who gathered and wove them together in a book he called the Kalevala And so he created for Finns a national epic and for the rest of the world a work of wonder The songs endure the heroes live For ages 10 and up Not illustrated Aaron Shepard is the award winning author of *The Baker s Dozen* *The Sea King s Daughter* *Lady White Snake* and many more children s books His stories have appeared often in *Cricket* magazine while his Web site is known internationally as a prime resource for folktales storytelling and reader s theater Once a professional storyteller Aaron specializes in lively retellings of folktales and other traditional literature which have won him honors from the American Library Association the New York Public Library the Bank Street College of Education the National Council for the Social Studies and the American Folklore Society Cover artist Carol Schwartz is the award winning illustrator of over 45 picture books Well written and valuable Shepard s use of free verse allows him more flexibility than the traditional poetic meter The text retains a sense of majestic rhythm and is most effective when read aloud Supporting information is detailed Donna L Scanlon School Library Journal Apr 1996 reviewing an older edition Shepard s free verse telling has power and sparkle Glenn Giffin Denver Post May 12 1996 reviewing an older edition SAMPLE Vainamoinen chanted and Joukahainen sank in the marshy ground up to his waist in the swallowing earth Cried Joukahainen Reverse your words undo your spells I will give you a hat full of silver a helmet full of gold Keep your wealth said Vainamoinen My coffers overflow He chanted again and Joukahainen sank to his chest Reverse your words undo your spells I will give you fields for plowing meadows for pasture Keep your land My farm stretches beyond sight He chanted again and Joukahainen sank to his chin Reverse your words undo your spells I will tell you of the fairest woman the finest maiden Vainamoinen stopped his chant
