Revolution and Counter-revolution in Spain Felix Morrow,1976 **Revolution and Counter-Revolution in Spain** Felix

Morrow,2021-01-13 Felix Morrow's book written in the white heat of the struggle remains a Marxist classic on the Spanish Civil War. It is one of the clearest accounts produced of the movement of the Spanish masses describing the events in Catalonia and the role of all those involved. This book contains the text of Revolution and counter revolution together with the earlier Civil War in Spain and Ted Grant's 1973 article which provides an overview of the Spanish revolution. This book provides an excellent companion to the writings of Leon Trotsky on this question and deserves to be studied by all class conscious activists.

The Spanish Civil War,1991

The Spanish Civil War Patricia Knight,1998 A comprehensive description and analytical account of the Spanish Civil War in the 1930s. It reviews the historical debates surrounding the origins and outcomes of the War focusing on the failure of both monarchy and republic to survive in Spain, the reasons for the Nationalist success during the War and the extent to which Franco's regime can be regarded as fascist. The author not only compares Franco's Spain with the regimes of Hitler and Mussolini but also goes on to discuss the place of the Civil War in the context of 20th century European history. She also provides a selection of source material and exercises.

The Grand

Camouflage Burnett Bolloten,2018-12-01 The product of many years research and material gathering Burnett Bolloten's *The Grand Camouflage* is a very richly documented study of the reasons for the Communists' success in taking over the anti-Franco forces in the course of the Spanish Civil War. ALTHOUGH the outbreak of the Spanish Civil War in July 1936 was followed by a far reaching social revolution in the anti-Franco camp more profound in some respects than the Bolshevik Revolution in its early stages, millions of discerning people outside Spain were kept in ignorance not only of its depth and range but even of its existence by virtue of a policy of duplicity and dissimulation of which there is no parallel in history. Foremost in practising this deception upon the world and in misrepresenting in Spain itself the character of the revolution were the Communists, who although but an exiguous minority when the Civil War began, used so effectually the manifold opportunities which that very upheaval presented that before the close of the conflict in 1939 they became behind a democratic frontispiece the ruling force in the left camp. The overthrow in May 1937 of the government of Francisco Largo Caballero, who was the most influential and popular of the left wing leaders at the outbreak of the Civil War, marked the Communists' greatest triumph in their rise to power. What was the secret of their success? And why did they attempt to screen from the outside world and to misrepresent in Spain itself the revolution that had swept the country? The answer lies within these pages.

The 'Red Terror' and the Spanish Civil War Julius Ruiz,2014-04-30 This study

challenges the common view that extrajudicial executions in Republican Spain in July 1936 were the work of criminal or anarchist uncontrollables.

Anarchism, the Republic and Civil War in Spain: 1931-1939 Julián Casanova,2014-04-09 The

Spanish Civil War became the setting for the struggle between revolution and counter revolution as well as being for many outsiders the place of armed conflict between the forces of democracy and fascism This book is a path breaking synthesis of political social and cultural history concerning the anarchist revolution during the Spanish Civil War by Spain s leading historian of the Civil War The Coming of the Spanish Civil War ,1983 **The Spanish Civil War** Paul Preston,2007

Memory and Amnesia Paloma Aguilar Fernández,2002-08 Using a rich variety of sources this book explores how the historical memory of the Spanish Civil War influenced the transition to democracy in Spain after Franco s death in 1975

The Revolution and the Civil War in Spain Pierre Broué,Émile Témime,1972 First published in France in 1961 as *La Revolution et la guerre d Espagne* this book explains the major issues of the Spanish Civil War in a remarkably clear and comprehensive fashion The authors focus on the internal affairs of the Republic and the Anarchist collective experiments in particular For further description the book is best served by its critics The Broue Temime work is the best general interpretation available concerning both the revolution of 1936 and the war It is especially valuable for analysis of the CNT the POUM and the anarchists in both the industrial and rural areas of Catalonia It contains rich chapters on the first days of the war in the large cities and on the May 1937 struggle in the streets of Barcelona Gabriel Jackson *Hispanic American Historical Review* This by contrast with the work of Hugh Thomas is what gives weight to the fine works of Pierre Broue the effort by which he constructs a Spanish war where events parties and man the motives that guided them the difficulties they encountered their feelings debates ideas and sacrifices are arranged and told in order to make them comprehensible Jean Pierre Peter *Annales Economies Societes Civilisations* Broue has prepared the first half of the book dealing with the Spanish background the revolution and the first year of the war He gives a particularly good treatment of the origins of the Spanish Communist party In the second half of this composite work Temime has presented a clear concise and perceptive account of the military events in the last two years of the war and of the construction of Franco s authoritarian state Stanley G Payne *Journal of Modern History* Conspiracy and the Spanish Civil War Herbert Rutledge Southworth,2002 Written by one of the most celebrated historians of the Spanish Civil War this book acts as both an outstanding introduction to the vast literature of the war and a monumental contribution to that literature *The Spanish Civil War: Reaction, Revolution and Revenge (Text Only)* Paul Preston,2012-07-10 A rousing and full blooded account of the Spanish Civil War and the rise to prominence of General Franco *The Coming of the Spanish Civil War* Paul Preston,1978-06-17 *La Révolution Et la Guerre D'Espagne Engl* Pierre Broué,Emile Témime,1972-01-01 The Spanish Revolution Burnett Belloten,Raymond Carr,1979 Spanish Civil War Paul Preston,2007-05-29 A comprehensive history that recounts the struggles of the Spanish Civil War in 1936 and the emergence of Francisco Franco as Spain s fascist dictator Red Spanish Notebook Mary Low,Juan Breá,1979
