Satan's Strategy Against the Church Witness Lee,1993

Satan's Strategy to Curse Christ's Congregation Keith A. Sherlin,2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

Strategies and Tactics of Satan

Theodore Lot, PhD, 2023-02-09 God the Father Jesus Christ God the Son and the Holy Spirit make up the Godhead who have been in existence since eternity past They constitute the Divine Trinity consisting of three distinct persons working in unity They then created the heavens and the earth out of nothing in the dateless past Among their creations were angels and pre Adam beings One of the chief angels created by God was called Lucifer He was an anointed cherub full of wisdom and perfect in beauty He was made ruler of the earth and was perfect in his walk until iniquity was found in him He became proud exalted himself and wanted to be like the Most High God This iniquity that originated from his heart led him to rebel against God making him the originator of sin He then slandered God causing numerous angels and the pre Adam beings of the earth to join him in the rebellion against God He and the rebellious angels were thrown out of heaven by God and he lost his position as ruler of the earth which had been destroyed as a result of the rebellion Lucifer became Satan adversary or the devil God recreated the heavens and the earth universe and formed man to rule over all the earth The universe formed by God was again perfect Since Satan's rebellion his main goal has been to incite all beings to join him in rebelling against God To achieve such objective he uses various strategies tactics and methods to cause man to join him in rebelling against God

Church** Luis Munoz,2013-08-16 This book uses history and the Bible to offers a fresh and scriptural interpretation of passages of the Bible which for centuries remained a mystery to the student of Bible prophecy including Mystery Babylon the great the mother of harlots and of the abomination of the earth I will explore the myths and deception of Roman Catholicism and their direct connection with the idolatrous worship system of the Mother and Child of ancient Babylon The claims that Roman Catholicism is the only true Church of Christ on Earth and the claim that man cant find salvation apart from her is the greatest deception the world has ever known Centuries of moral crisis and sexual abuse of children speak volumes about the true nature of the leaders of the Catholic Church The abhorrence of marriage and the negative view of women recorded in the Canon Laws clearly reflect the

Vaticans Gnostic belief on sexual intercourse and the imposition of celibacy Many people throughout the world equate Christianity with everything that is vile contemptible and depraved For centuries the Roman C Church suppressed basic human rights and also persecuted and murdered anyone who held beliefs which conflicted with the dogma of the church During the horrors of the Inquisition tens of thousands of people were tortured dismembered beaten and burned alive all in the name of a fraudulent faith Roman Catholicism is the false representation of truth and also the cause great many people throughout history have repudiated true Christianity The history of crimes the papacy has committed throughout history is so compelling that it would inevitably lead any objective thinker to the conclusion that throughout the history of the world there hasnt been any other organization as notorious as the Roman C Church The long history of cruelty crimes and immorality that for centuries the church of Judas has committed on every generation provides irrefutable proof that she is not of God

Paul's Letter to the Romans and Roman Imperialism Ian E. Rock, 2012-11-07 This book seeks to demonstrate that the Letter to the Romans may be seen as an attempt by a subordinate group to redress actual and potential issues of confrontation with the Empire and to offer hope even in the crisis of facing death Paul demonstrates that it is God's peace and not Rome's peace that is important that loyalty to the exalted Jesus as Lord and to the kingdom of God not Jupiter and Rome leads to salvation that grace flows from Jesus as Christ and Lord and not from the benefactions of the Emperor If the resurrection of Jesus the crucified criminal of the Roman Empire demonstrates God's power over the universe and death the very instrument of Roman control then the Christ believer is encouraged to face suffering and death in the hope of salvation through this power Paul's theology emerges from and is inextricably bound to the politics of his day the Scriptures of his people and to the critical fact that the God who is one and Lord of all is still in charge of the world
