

HOCKEY'S 50 GREATEST GOALTENDERS

WITHOUT FEAR

KEVIN ALLEN AND BOB DUFF

Special Commentary by Johnny Bower

Without Fear Hockey's 50 Greatest Goaltenders

Todd Denault

Without Fear Hockey's 50 Greatest Goaltenders:

Without Fear Kevin Allen, Bob Duff, 2002 Who are the greatest hockey goalies of all time This book attempts to settle that debate with an all star lineup of experts just as impressive as the 50 men they select as the best goalies of the 20th century Over 100 photos Goaltenders' Union, The Greg Oliver, Richard Kamchen, 2014-09-01 A fresh comprehensive and entertaining take on hockey goalies In hockey goalies have always been a contradiction solitary men in a team game the last line of defence and the stalwarts expected to save the day after any and every miscue and collapse from his teammates It s no wonder that anyone who played the position has had his sanity questioned yet some of the biggest innovations in the game have come from its puckstoppers In The Goaltenders Union Greg Oliver and Richard Kamchen talk to more than 60 keepers of yesterday and today finding common threads to their stories and in dozens of interviews about them with other coaches and players From Gilles Gratoony the Loony Gratton who refused to play because the moon was out of alignment with Jupiter to Jonathan Quick the athletically gifted master keeper of today s game the book is an entertaining and enlightening peek behind the mask **The Greatest Game** Todd Denault, 2011-10-04 This game wasn t about money points or trophies Instead it was played for pride both personal and national It was a confrontation twenty years in the making and it marked a turning point in the history of hockey On December 31 1975 the Montreal Canadiens the most successful franchise in the NHL hosted the touring Central Red Army the dominant team in the Soviet Union For three hours millions of people in both Canada and the Soviet Union were glued to their television sets What transpired that evening was a game that surpassed all the hype and was subsequently referred to as the greatest game ever played Held at the height of the Cold War this remarkable contest transcended sports and took on serious cultural sociological and political overtones And while the final result was a 3 3 tie no one who saw the game was left disappointed This exhibition of skill was hockey at its finest and it set the bar for what was to follow as the sport began its global expansion Behind the Mask Randi Druzin, 2023-10-24 A dozen incredible stories about hockey s legendary goalies on and off the ice including Carey Price Marc Andr Fleury Roberto Luongo and Henrik Lundqvist Hockey goaltenders have forever been thought of as unique eccentric weird and wacky Also misunderstood Randi Druzin s Behind the Mask is a fascinating examination of a dozen of those who have played the position at the highest levels This well researched and well written book is revealing and delightful at the same time Roy MacGregor While his teammates rush up the ice in a coordinated attack the goalie is alone in his net And when the play turns back toward him he s prepared to step in front of a frozen rubber disc traveling 100 miles an hour He s the last line of defense in a pitched battle The goalie stands apart on and off the ice Like the relief pitcher in baseball and the place kicker in football he is a maverick Behind the Mask profiles 12 legendary NHL goalies emphasizing the traits that make each one unique It blends accounts of the goalies on ice exploits with anecdotes about their lives off the ice information gleaned from archival research as well as interviews with teammates family members and the goalies themselves The careers here cover the last half century

of professional hockey from the personal struggles of Roger Crozier and Ed Giacomin on their way to stardom in the 1960s to the recent brilliance of Carey Price whose character blends stoicism with a deep warmth and pride in his Indigenous background Told with author Randi Druzin's trademark mix of knowledge and wit *Behind the Mask* has all the insight and color to make it a bestseller like her previous book on NHL goalies *Between the Pipes* Hockey goalies profiled include Roger Crozier Detroit Red Wings Buffalo Sabres Rogie Vachon Los Angeles Kings Gerry Cheevers Boston Bruins Ed Giacomin New York Rangers Tony Esposito Chicago Black Hawks Vladislav Tretiak Soviet Red Army Mike Palmateer Toronto Maple Leafs Grant Fuhr Edmonton Oilers Roberto Luongo Vancouver Canucks Marc Andr Fleury Pittsburgh Penguins Vegas Golden Knights Henrik Lundqvist New York Rangers Carey Price Montreal Canadiens **Jacques Plante** Todd Denault, 2009-10-27

The first full scale biography of a legendary and award winning NHL goalie who transformed the game There are a lot of very good goalies there are even a fair number of great goalies But there aren't many important goalies And Jacques Plante was an important goalie Ken Dryden On and off the ice Jacques Plante was a true original he was extremely talented boastful defiant mysterious and complex Throughout his tumultuous career as a goalie he played for Montreal New York St Louis Toronto Boston and Edmonton His contributions to and impact on the game were extensive and are reflected in today's rules equipment and style of play Thoroughly investigated through archival and primary research and including interviews with figures such as Jean B liveau Henri Richard Dickie Moore and Scotty Bowman this biography sheds light on one of the most pivotal figures in the history of hockey Without Fear Kevin Allen, Bob Duff, 2012 Who are the greatest hockey goalies of all time This book attempts to settle that debate with an all star lineup of experts just as impressive as the 50 men they select as the best goalies of the 20th century Over 100 photos **The Publishers Weekly**, 2002 The Big 50: Chicago Blackhawks Jay Zawaski, 2020-11-10 The Big 50 Chicago Blackhawks is an amazing look at the fifty men and moments that have made the Blackhawks the Blackhawks Longtime radio analyst Jay Zawaski explores the living history of the team counting down from number fifty to number one This dynamic and comprehensive book brings to life the iconic franchise's remarkable story including greats like Toews Kane Mikita Chelios and more *Between the Pipes* Randi Druzin, 2013-10-01 A Canadian sportswriter profiles twelve legendary NHL goaltenders in a book that reveals the changing face of professional hockey in the last half century Publishers Weekly Some NHL goalies are great and others are intriguing characters but a select few are legends because they're both Such is the case with the dozen players featured here In *Between the Pipes* veteran hockey writer Randi Druzin profiles these athletes revealing the traits that make each one unique Gump Worsley defied the laws of biomechanics by being nimble despite having a cabbage shaped body He was also one of the funniest men ever to start in goal Glenn Hall used to wrestle with a trainer in the dressing room before games and Jacques Plante refused to stay at a particular Toronto hotel Despite their quirks these twelve goalies are among the best the game has ever seen With wit and verve Druzin paints unforgettable portraits of these masked mavericks **The 50 Greatest Athletes in Boston Sports**

History Martin Gitlin, 2025-05-06 Boston fans are passionate about sports and are proud of their players and teams all of which have enjoyed tremendous success through the years In The 50 Greatest Athletes in Boston Sports History Martin Gitlin ranks the top 50 superstars in the city's rich sports history with legends like Tom Brady Bill Russell Bobby Orr Ted Williams and Larry Bird Reaching beyond Red Sox Patriots Celtics and Bruins heroes it ranks many stars who emerged from the Boston area such as Rocky Marciano Pat Bradley Marvin Hagler and Rebecca Lobo as well The 50 Greatest Athletes in Boston Sports History details their contributions to championships records broken sheer athletic brilliance leadership traits big events in which the athletes rose to the occasion and overall impact on the Boston sports scene
