How To Attract Women With Humor Leonard Bustos,Leonardo Amorado,2013-09-16 I m going to show you how fun and exciting it is to approach practically any woman practically anywhere and have an immediate humorous connection with her Women are actively looking for those men who have the ability to unlock the code to their natural instinctive desires and your going to learn how to develop those Attractor Factors that tap into a woman s primal needs and desires I m going to let you in on a little secret Real men want to have sex with as many beautiful women as they possibly can I know you re probably shocked at this astonishing revelation but don t be alarmed It s not your fault and it s nothing to hide or be ashamed of In fact if your ancestors didn t feel the same way you wouldn t be here It s important to add that most honorable men in a relationship generally restrain themselves from acting on this primal desire mostly because of love and respect and to avoid hurting their partners However that doesn t mean this powerful urge still doesn t exist To this day learning to control this instinctive impulse tends to be the ultimate male dilemma Guess what Women desire and crave sex too The problem is too many guys are either too passive and conceal their sexual interest in women or they act like aggressive idiots and drive them away There is a very cool and natural way to approach and attract women so they become interested in you first and I m going to show you how to do it There s no doubt that women want to be sexually attractive and wanted by men They are actively looking for those men who have the ability to

unlock the code to their natural instinctive desires This book is going to teach you how to develop those traits and skills that tap into a woman s primal needs and desires You will become in so many words simply irresistible Attraction is not a choice These are natural biological reactions embedded in our DNA developed over tens of thousands of years Just as men have these responses to attractive women so do women have similar reactions when they observe men with certain masculine traits We often think of the male as competing with other males for the prize of mating with the female but women of course also compete for the opportunity to mate with the male who has the most desirable traits I m going to teach you what those masculine traits are and how you can develop and use them so that you become more attractive and irresistible to women I m happy to report that some of you guys will be very relieved to know that looks aren t at the top of the list of attraction for women I m just saying If you want to experience life s ultimate pleasure of falling in love and being in love with all of the benefits that come with it like incredible sex great companionship having someone to laugh with someone to be there for you through good times and bad and just having a partner to share and experience life with then I promise to show you how to connect with her if you are willing to take the necessary steps I m about to share I can t think of a more important decision in life that you will ever make regarding your happiness than with whom you choose to share your life Finding a quality woman all begins with meeting her and in order to meet her you ll need to know how to approach and cause her to be attracted and interested in you
