Theatre of the Unimpressed Jordan Tannahill, 2015 A lot of plays are bad And one bad play it seems can turn us off theater for good So what can we learn from the bad play Jordan Tannahill after talking to theater heavy hitters from Australia to Berlin offers a roadmap for a renewed theater one that is less insular less insulting with better infrastructure In reconsidering dramaturgy programming strategies and alternative models for producing he aims to turn theater from an obligation to a destination

*Theatre of the Unimpressed* Jordan Tannahill, 2015-05-11 How dull plays are killing theatre and what we can do about it Had I become disenchanted with the form I had once fallen so madly in love with as a pubescent pimple faced suburban homo with braces Maybe theatre was like an all consuming high school infatuation that now ten years later I saw as the closeted balding guy with a beer gut he d become There were of course those rare moments of transcendence that kept me coming back But why did they come so few and far between A lot of plays are dull And one dull play it seems can turn us off theatre for good Playwright and theatre director Jordan Tannahill takes in the spectrum of English language drama from the flashiest of Broadway spectacles to productions mounted in scrappy storefront theatres to consider where lifeless plays come from and why they persist Having travelled the globe talking to theatre artists critics passionate patrons and the theatrically disillusioned Tannahill addresses what he considers the culture of risk aversion paralyzing the form Theatre of the Unimpressed is Tannahill s wry and revelatory personal reckoning with the discipline he s dedicated his life to and a roadmap for a vital twenty first century theatre one that apprehends the value of liveness in our mediated age and the necessity for artistic risk and its attendant failures In considering dramaturgy programming and alternative models for producing Tannahill aims to turn theatre from an obligation to a destination Tannahill is the poster child of a new generation of theatre film dance artists for whom interdisciplinary is not a buzzword but a way of life J Kelly Nestruck Globe and Mail Jordan is one of the most talented and exciting playwrights in the country and he will be a force to be reckoned with for years to come Nicolas Billon Governor General s Award winning playwright Fault Lines
