Traces Of Dance Choreographers Drawings And Notations:

Traces of Dance Laurence Louppe,1994 In this unique critical volume the authors turn the semiotic spotlight on an obscure area of art the drawings and notations choreographers use to think about the human body in motion Traces of Dance: Choreographers' Drawings and Notations, 1994-03 Contributions by Valerie Preston Dunlop Rene Thom Text by Paul Virilio On Line Cornelia H. Butler,M. Catherine de Zegher,2010 On Line Drawing Through the Twentieth Century explores the radical transformation of drawing that began during the last century as numerous artists critically re examined the traditional concepts of the medium In a revolutionary departure from the institutional definition of drawing and from reliance on paper as the fundamental support material artists instead pushed the line into real space expanding the medium s relationship to gesture and form and connecting it with painting sculpture photography film and dance Published in conjunction with an exhibition at The Museum of Modern Art On Line presents a discursive history of mark making through nearly 250 works by 100 artists including Aleksandr Rodchenko Alexander Calder Karel Malich Eva Hesse Anna Maria Maiolino Richard Tuttle Mona Hatoum and Monika Grzymala among many others Essays by the curators illuminate individual practices and examine broader themes such as the exploration of the line by the avant garde and the relationship between drawing and dance **pARTnering documentation: approaching dance . heritage . culture. 3rd Dance Education**

Choreographing Discourses Mark Franko,2018-12-07 *Choreographing Discourses* brings together essays originally published by Mark Franko between 1996 and the contemporary moment Assembling these essays from international sometimes untranslated sources and curating their relationship to a rapidly changing field this Reader offers an important resource in the dynamic scholarly fields of Dance and Performance Studies What makes this volume especially appropriate

for undergraduate and graduate teaching is its critical focus on twentieth and twenty first century dance artists and choreographers among these Oskar Schlemmer Merce Cunningham Kazuo Ohno William Forsythe Bill T Jones and Pina Bausch some of the most high profile European American and Japanese artists of the past century The volume s constellation of topics delves into controversies that are essential turning points in the field notably Still Here and Paris is Burning which illuminate the spine of the field while interlinking dance scholarship with performance theory film visual and public art The volume contains the first critical assessments of Franko s contribution to the field by Andr Lepecki and Gay Morris and an interview incorporating a biographical dimension to the development of Franko s work and its relation to his dance and choreography Ultimately this Reader encourages a wide scope of conversation and engagement opening up core questions in ethics embodiment and performativity

Exhausting Dance Andre Lepecki, 2006-07-13 The only scholarly book in English dedicated to recent European contemporary dance Exhausting Dance Performance and the Politics of Movement examines the work of key contemporary choreographers who have transformed the dance scene since the early 1990s in Europe and the US Through their vivid and explicit dialogue with performance art visual arts and critical theory from the past thirty years this new generation of choreographers challenge our understanding of dance by exhausting the concept of movement Their work demands to be read as performed extensions of the radical politics implied in performance art in post structuralist and critical theory in post colonial theory and in critical race studies In this far ranging and exceptional study Andre Lepecki brilliantly analyzes the work of the choreographers Jerome Bel France Juan Dominguez Spain Trisha Brown US La Ribot Spain Xavier Le Roy France Germany Vera Mantero Portugal and visual and performance artists Bruce Nauman US William Pope L US This book offers a significant and radical revision of the way we think about dance arguing for the necessity of a renewed engagement between dance studies and experimental artistic and philosophical practices

Music-Dance Patrizia Veroli, Gianfranco Vinay, 2017-11-10 Music Dance explores the identity of choreomusical work its complex authorship and its modes of reception as well as the cognitive processes involved in the reception of dance performance Scholars of dance and music analyse the ways in which a musical score changes its prescriptive status when it becomes part of a choreographic project the encounter between sound and motion on stage and the intersection of listening and seeing As well as being of interest to musicologists and choreologists considering issues such as notation multimedia and the analysis of performance this volume will appeal to scholars interested in applied research in the fields of cognition and neuroscience The line up of authors comprises representative figures of today s choreomusicology dance historians scholars of twentieth century composition and specialists in cognitive science and performance studies Among the topics covered are multimedia and the analysis of performance the notational practice of choreographers and the parallel attempts of composers to find a graphic representation for musical gestures and the experience of dance as a paradigm for a multimodal perception which is investigated in terms of how the association of sound and movement triggers emotions and specific forms of cognition

The Poetics of Performance Diagrams Andrej Mirčev, 2024-06-30 This Element considers the concept of performance diagrams and shows their historical epistemic and aesthetic functions in theatre and dance In three sections the author surveys the architectural model of theatre by Vitruvius the woodcut of Marlow s Doctor Faustus Aby Warburg s Mnemosyne Atlas the spells and drawings of Antonin Artaud the performance Paradise Now the Living Theatre and the choreography I am 1984 Barbara Matijevi Demonstrating that diagrams can be applied to multiply dramaturgical trajectories the text reviews their relevance for performance making analysis and documentation The author argues that diagrams provide new tools for theory practice and archiving while at the same time enabling reflection on the intersections between poetics and politics Focusing on the potentiality of diagrams to cut through representation and dichotomies this Element affirms the visual corporeal and spatial dimensions of performance making In doing so it elucidates the significance of diagrammatic thinking for performance studies

The Choreographic Jenn Joy, 2014-10-10 An investigation of dance and choreography that views them not only as artistic strategies but also as intrinsically theoretical and critical practices The choreographic stages a conversation in which artwork is not only looked at but looks back it is about contact that touches even across distance The choreographic moves between the corporeal and cerebral to tell the stories of these encounters as dance trespasses into the discourse and disciplines of visual art and philosophy through a series of stutters steps trembles and spasms In *The Choreographic* Jenn Joy examines dance and choreography not only as artistic strategies and disciplines but also as intrinsically theoretical and critical practices She investigates artists in dialogue with philosophy describing a movement of conceptual choreography that flourishes in New York and on the festival circuit Joy offers close readings of a series of experimental works arguing for the choreographic as an alternative model of aesthetics She explores constellations of works artists writers philosophers and dancers in conversation with theories of gesture language desire and history She choreographs a revelatory narrative in which Walter Benjamin Pina Bausch Francis Al s and Cormac McCarthy dance together she traces the feminist and queer force toward desire through the choreography of DD Dorvillier Heather Kravas Meg Stuart La Ribot Miguel Gutierrez luciana achugar and others she maps new forms of communicability and pedagogy and she casts science fiction writers Samuel R Delany and Kim Stanley Robinson as perceptual avatars and dance partners for Ralph Lemon Marianne Vitali James Foster and Janet Cardiff and George Bures Miller Constructing an expanded notion of the choreographic Joy explores how choreography as critical concept and practice attunes us to a more productively uncertain precarious and ecstatic understanding of aesthetics and art making

Choreography Invisible Anna Pakes, 2020-04-28 Dance is often considered an ephemeral art one that disappears nearly as soon as it materializes leaving no physical object behind Yet some dance practice involves people trying to embody something that exists before and survives beyond their particular acts of dancing What exactly is that thing And how do dances continue to exist when not performed Anna Pakes seeks to answer these and related questions in this book drawing on analytic philosophy of art to explore the

metaphysics of dance making performance and disappearance Focusing on Western theater dance Pakes also traces the different ways dances have been conceptualized across time and what those historical shifts imply for the ontology of dance works
