Traces of Terror Victoria Sentas, 2014-01 Presents an innovative new argument that counter terrorism law and policing produce a common sense knowledge about Muslims and targeted ethnic minorities which in turn establishes contemporary practices understandings and norms which mark these groups as of interest to law enforcement and other organisations

Policing the Waterfront Russell Brewer, 2014-04-16 Long recognised as a site where criminal elements have flourished the waterfront has been exploited for centuries by opportunistic individuals for a whole raft of illicit purposes Policing the Waterfront Networks Partnerships and the Governance of Port Security is the first book of its kind to fully explore the intricacies of how crime is controlled on the waterfront and in doing so seeks to enhance current theoretical understandings of the policing partnerships that exist between state and non state actors Charting the complex configuration of security networks using a range of analytical techniques this book presents new empirical data which exposes and explains the social structures that enable policing partnerships to function on the waterfront Particularly striking is the use of enhanced and adjusted theoretical discussions to both shape and develop previous policing and security debates resulting in a work that is both innovative and yet still rooted in the traditions of empirical research The analysis is achieved through a comparative research design evaluating the narratives of both state and non state security providers at the busiest ports in America and Australia the Los Angeles Long Beach Port Complex and the Port of Melbourne Policing the Waterfront presents a rich and highly original account of the underlying structures that foster facilitate and enhance policing partnerships on the waterfront and will be of interest to scholars in the fields of criminology sociology law socio legal and policy studies as well as those researching and studying policing regulation security mass transportation and social capital *Traces of Terror* Victoria

Sentas, 2014 *Criminal Careers in Transition* Stephe Farrall, 2014 **Hate Crime and Restorative Justice** Mark Austin Walters, 2014 *Speaking Truths to Power* Jarrett Blaustein, 2015 *Policing Undocumented Migrants* Louise Boon-Kuo, 2017-08-07 Migration policing experiments such as boat turn backs and offshore refugee processing have been criticised as unlawful and have been characterised as exceptional Policing Undocumented Migrants explores the extraordinarily routine powerful and above all lawful practices engaged in policing status within state territory This book reveals how the everyday violence of migration law is activated by making people illegal It explains how undocumented migrants are marginalised through the broad discretion underpinning existing frameworks of legal responsibility for migration policing Drawing on interviews with people with lived experience of undocumented status within Australia perspectives from advocates detailed analysis of legislation case law and policy this book provides an in depth account of the experiences and legal regulation of undocumented migrants within Australia Case studies of street policing immigration raids transitions in legal status such as release from immigration detention and character based visa determination challenge conventional binaries in migration analysis between the citizen and non citizen and between lawful and unlawful status By

showing the organised and central role of discretionary legal authority in policing status this book proposes a new perspective through which responsibility for migration legal practices can be better understood and evaluated Policing Undocumented Migrants will be of interest to scholars and practitioners working in the areas of criminology criminal law immigration law and border studies

Terrorist Profiling and Law Enforcement Noel McGuirk, 2021-02-10 This book analyses the usefulness of terrorist profiling utilised by law enforcement officers as a pre-emptive means to assist them in the detection prevention and deterrence of terrorism and or its preparatory activities It explores two main themes arising from the phenomenon of terrorist profiling the lawfulness of terrorist profiling and the utility of profiling These two themes are explored in three separate parts Firstly the book begins by drawing upon human rights concerns arising from the use of terrorist profiling by law enforcement officers Secondly an analytical framework capable of making determinations on the usefulness of terrorist profiling This framework develops a profiling spectrum that ranges from formal and informal manifestations of terrorist profiling that forms the basis for evaluating its usefulness Finally the book presents an examination of various manifestations of terrorist profiling by separating the analysis of the construction of profiles on the one hand from their application on the other so as to be able to identify and examine profiling's usefulness as a technique to assist law enforcement officers make predictions about likely offender characteristics This book ultimately concludes that terrorist profiling should only be conducted by undertaking a systematic assessment of the construction of profiles separate from the application of profiles whilst simultaneously taking into account fundamental human rights concerns with the practice of terrorist profiling The work will be an essential resource for academics law enforcement officers and lawyers in the disciplines of law criminology human rights criminal justice and policing As the book engages with terrorist profiling it will also be of interest to those engaged in the psychology of terrorism

Violence Work Micol Seigel, 2018-08-02 In *Violence Work* Micol Seigel offers a new theorization of the quintessential incarnation of state power the police. Foregrounding the interdependence of policing the state and global capital Seigel redefines policing as violence work showing how it is shaped by its role of channeling state violence. She traces this dynamic by examining the formation, demise and aftermath of the U S State Department's Office of Public Safety (OPS) which between 1962 and 1974 specialized in training police forces internationally. Officially a civilian agency the OPS grew and operated in military and counterinsurgency realms in ways that transgressed the borders that are meant to contain the police within civilian public and local spheres. Tracing the career paths of OPS agents after their agency closed Seigel shows how police practices writ large are rooted in violence especially against people of color the poor and working people and how understanding police as a civilian public and local institution legitimizes state violence while preserving the myth of state benevolence.

Criminology Eamon Carrabine, Pam Cox, Isabel Crowhurst, Anna Di Ronco, Pete Fussey, Anna Sergi, Nigel South, Darren Thiel, Jackie Turton, 2020-03-24 Comprehensive critical and accessible *Criminology: A Sociological Introduction* offers an authoritative overview of the study of criminology from early theoretical perspectives to pressing contemporary issues such as the globalisation of crime, crimes against the environment, terrorism and cybercrime. Authored by an internationally renowned and experienced group of authors in the Department of Sociology at the University of Essex, this is a truly international criminology text that delves into areas that other texts may only reference. It includes substantive chapters on the following topics: Histories of crime, Theoretical approaches to crime and the issue of social change, Victims and victimisation, Crime, emotion and social psychology, Drugs, alcohol, health and crime, Criminal justice and the sociology of punishment, Green criminology, Crime and the media, Terrorism, state crime and human rights. The new edition fuses global perspectives in criminology from the contexts of post-Brexit Britain and America in the age of Trump and from the Global South. It contains new chapters on cybercrime, crimes of the powerful, organised crime, life course approaches to understanding delinquency and desistance and futures of crime control and criminology. Each chapter includes a series of critical thinking questions, suggestions for further study and a list of useful websites and resources. The book also contains a glossary of the criminological terms and concepts used in the book. It is the perfect text for students looking for a broad critical and international introduction to criminology and it is essential reading for those looking to expand their criminological imagination.

Left Curve, 2003 *Routledge Handbook of Law and Terrorism* Genevieve Lennon, Clive Walker, 2015-07-16 In the years since 9/11 counterterrorism law and policy has proliferated across the world. This handbook comprehensively surveys how the law has been deployed in all aspects of counterterrorism. It provides an authoritative and critical analysis of counterterrorism laws in domestic jurisdictions taking a comparative approach to a range of jurisdictions especially the UK, the US, Australia, Canada and Europe. The contributions to the book are written by experts in the field of

terrorism law and policy allowing for discussion of a wide range of regulatory responses and strategies of governance The book is divided into four parts reflective of established counter terrorism strategic approaches and covers key themes such as Policing and special powers including surveillance Criminal offences and court processes Prevention of radicalisation and manifestations of extremism Protective preparative security The penology of terrorism In addressing counter terrorism laws across a broad range of topics and jurisdictions the handbook will be of great interest and use to researchers students and practitioners in criminal law counter terrorism and security studies

Counter-Terrorism and Beyond Andrew Lynch, Nicola McGarrity, George Williams, 2010-06-10 This book considers the increasing trend towards a culture of control in democratic countries The post 9 11 counter terrorism laws in nations such as the USA the UK Canada and Australia provide a stark demonstration of this trend These laws share a focus on the pre emption of crime restrictions on the right to liberty of non suspects limited public access to information and increased community surveillance The laws derogate in many respects from the ordinary principles of the criminal justice system and fundamental human rights while also harnessing public institutions in the broader project of prevention and control Distinctively the contributors to this volume focus on the impact of these laws outside of the counter terrorism context The book draws together a range of experts in both public and criminal law from Australia and overseas to examine the effect of counter terrorism laws on public institutions within democracies more broadly Issues considered include changes to the role and functions of the courts the expansion of executive discretion the seepage of extraordinary powers and pre emptive measures into other areas of the criminal law and the interaction and overlap between intelligence and law enforcement agencies Counter Terrorism and Beyond The Culture of Law and Justice After 9 11 will be of interest to students and scholars of criminal law criminology comparative criminal justice terrorism and national security public law human rights governance and public policy
