Politics of the Islamic Tradition Mohammed Moussa, 2015-10-05 Over the last two centuries the Muslim world has undergone dramatic transformations impacting the Islamic tradition and throwing into question our understanding of tradition The notion of tradition as an unmoving edifice is contradicted by the very process of its transmission and the complex role human beings play in creating and sustaining traditions is evident in the indigenous mechanisms of change within the Islamic tradition *Politics of the Islamic Tradition* locates the work of Egyptian cleric Muhammad al Ghazali within the context of this dynamic Islamic tradition with special focus on his political thought Al Ghazali inherited a vast and diverse heritage which he managed to reinterpret in a changing world An innovative exploration of the change and continuity present within Muslim discourses this book brings together disparate threads of the Islamic tradition religious exegesis the contemporary Arab Middle East the Islamic state and idea of renewal in al Ghazali s thought As well as being one of the first complete treatments of al Ghazali s works this book provides an original critical approach to tradition and its capability for innovation and change countering the dichotomy between tradition and modernity that typically informs most scholarly studies on contemporary Islam Offering highly original insights into Islamic thought and engaging with critical notions of tradition this book is essential reading for students and scholars of Islamic Politics and History

Critical Reflections on Interactive Governance Jurian Edelenbos, Ingmar van Meerkerk, 2016-08-26 In many countries government and society have undergone a major shift in recent years now tending toward smaller government and bigger society This development has lent increased meaning to the notion of interactive governance a concept that this book takes not as a normative ideal but as an empirical phenomenon that needs constant critical scrutiny reflection and embedding in modern societies

Political Theologies in Orthodox Christianity Kristina Stoeckl, Ingeborg Gabriel, Aristotle Papanikolaou, 2017-06-15 This book gathers a wide range of theological perspectives from Orthodox European countries Russia and the United States in order to demonstrate how divergent the positions are within Orthodox Christianity Orthodoxy

is often considered to be out of sync with contemporary society set apart in a world of its own where the church intertwines with the state in order to claim power over the populace and ignore the individual voices of modern societies As a collective these essays present a different understanding of the relationship of Orthodoxy to secular politics comprehensive up to date and highly relevant to politically understanding today's world The contributors present their views and arguments by drawing lessons from the past and by elaborating visions for how Orthodox Christianity can find its place in the contemporary liberal democratic order while also drawing on the experience of the Western Churches and denominations Touching upon aspects such as anarchism economy and political theology these contributions examine how Orthodox Christianity reacts to liberal democracy and explore the ways that this branch of religion can be rendered more compatible with political modernity
