Cold Cases and Dark Secrets J.M. Dabney, 2022-02-22 Time Didn't Heal All Wounds and the Scars were About to be Ripped Open Stevenson When I'd moved from Homicide to the Cold Case Unit my friends headed I'd thought it would be a new start The minute my marriage fell apart I'd lost my purpose Years passed and I hadn't found myself until I'd helped my friends catch a serial killer but I'd also found friends and family As I'd searched for a case among dusty boxes a decades old murder and missing person case caught my attention The autopsy report sent me to the ME's office and the man I'd avoided for months Doc Making death my job didn't allow for normal friends but the dead needed an advocate and it was the only purpose I'd known Being a medical examiner was all I'd had for decades and I didn't know what to do outside my job I had a group of friends all worked in law enforcement and forensics but one thing was missing Short adorable middle aged men weren't getting swept off their feet When my secret crush needed my help with a case to the detriment of my sanity I said yes All I had to do was not be my weird self and blurt out everything in my head When a missing person case turns out to be more than it appears can Stevenson keep Doc safe from a twenty year old threat TW May contain mentions of sexual physical and mental abuses Passive Suicidal Ideation self harm and mental illness These are mainly off page but there may be detailed flashbacks and conversations of said acts Yet if these are triggering for you please feel free not to read the story Your self care and mental health are more important Thank you
