SERVICE MANUAL

IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel. It has been assumed that basic service procedures inherent to the industry, and more specifically YAMAHA Products, are already known and understood by the user, and hence therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the appointed service representative.

IMPORTANT: The presentation or title of this manual to any individual or firm does not constitute authorization, certification or recognition of any applicable technical capabilities, or establish a pronged agent relationship of any kind.

The data provided is believed to be accurate and applicable to the section indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to notify. Should any discrepancy appear to exist, please contact the distributor's Service Division.

WARNING: Static discharges can destroy expensive components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground line on the unit. Remove gauge Molex wires connect to this point.

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Recheck all work before you apply power to the unit.
