The Best Ever Book of Irish Jokes Mark Geoffrey Young,2012-01-30 If you ve ever heard a Jewish Italian Libyan Catholic Mexican Polish Belgian Norwegian or an Essex Girl Newfie Mother in Law or joke aimed at a minority this book of Irish jokes is for you In this not so original book The Best Ever Book of Irish Jokes Lots and Lots of Jokes Specially Repurposed for You Know Who Mark Young takes a whole lot of tired worn out jokes and makes them funny again The Best Ever Book of Irish Jokes is so unoriginal it s original And if you don t burst out laughing from at least one Irish joke in this book there s something wrong with you This book has so many Irish jokes you won t know where to start For example Why do Irish Citizens wear slip on shoes You need an IQ of at least 4 to tie a shoelace An evil genie captured a Irish Citizen and her two friends and banished them to the desert for a week The genie allowed each person to bring one thing The first friend brought a canteen so he wouldn t die of thirst The second friend brought an umbrella to keep the sun off The Irish Citizen brought a car door because if it got too hot she could just roll down the window Did you hear about the Irish Citizen who wore two jackets when she painted the house The instructions on the can said Put on two coats Why do Irish Citizens laugh three times when they hear a joke Once when it is told once when it is explained to them and once when they understand it

New Jokes and Monologues by the Best Jokers ,1900 *The Mirth of Nations* Christie Davies,2017-07-28 The Mirth of Nations is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book The Mirth of Nations uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor

overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one's own group The Mirth of Nations is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular The book will appeal to general readers as well as those in cultural studies

The Irish Joke Book Brendon Kelly, 2012-10-26 The Irish Joke Book is a comprehensive set of jokes about the Irish Brendon Kelly pokes fun at the Irish from the troubled times of the 1980s through to the Irish of today still in global recession like the rest of us The Irish can laugh at themselves and won't mind these or should I say these jokes Just take a few at a time You'll laugh groan and snicker at these sometimes harsh sometimes crazy but always amusing Irish jokes No one is safe not pilots on the Irish national airline Aer Lingus not Guinness drinkers nor Irish council workers Sure they're not safe The Irish love a laugh and have that inbuilt Celt good sense of humor or as we text GSOH And then there's the lovely accent on the ladies And they're good looking and the men aren't You'll have your favorites Then you'll forget where the hell it was that joke So I wrote this handy Index at the back Ya can test yourself by finding the words in the Index that you remember all there to find the joke again Or try and remember the joke from the line in the Index Tanks a million P S The sketches are of Molly Malone in Grafton Street Dublin and the Irish milk given when ya donate a pint of blood God bless the Irish Brendon Kelly

Lowering the Bar Marc Galanter, 2006-10-10 What do you call 600 lawyers at the bottom of the sea Marc Galanter calls it an opportunity to investigate the meanings of a rich and time honored genre of American humor lawyer jokes Lowering the Bar analyzes hundreds of jokes from Mark Twain classics to contemporary anecdotes about Dan Quayle Johnnie Cochran and Kenneth Starr Drawing on representations of law and lawyers in the mass media political discourse and public opinion surveys Galanter finds that the increasing reliance on law has coexisted uneasily with anxiety about the legalization of society

Informative and always entertaining his book explores the tensions between Americans deep seated belief in the law and their ambivalence about lawyers **World Almanac and Encyclopedia** ,1906 Lists news events population figures and miscellaneous data of an historic economic scientific and social nature **500 Best Irish Jokes & Limericks** ,1984
