Finance has become America's definitive all in one guide to total financial well being at every stage of life. Now fully revised and packed with helpful easy to understand tables, charts, and quizzes, *The New Money Book of Personal Finance* will show you how to Take control of your finances, compute your assets, your liabilities, and your net worth. Invest with confidence, learn the six golden rules that keep you in check and on track. Lower your taxes, conserve your earnings with an easy can't fail game plan that works for almost every tax bracket. Buy the life insurance policy right for you, solidify your personal finances with this important move. Get a first mortgage by borrowing, learn what to do when you don't have the cash for the down payment. Slash your homeowners insurance costs, discover the eight little tips that make a big difference. *The Little Red Book of Financial Happiness* Raymar Rodriguez, 2013-08-27. Personal finances are part of life and need to be properly understood and controlled. People's personal finances are in disarray because they were never taught a better way. Many people find themselves struggling financially even though they have been working their entire lives. They live paycheck to paycheck and feel abandoned by the greater financial system. *The Little Red Book of Financial Happiness* is based on a class that the author has taught for more than a decade. It provides a simple way of looking at personal finances. Everything we need or want is measured in terms of money. Money and material life in general place many pressures on all members of society. Why? We tend to measure everything, even our sense of happiness, in dollars. The ability to understand and manage a personal budget gives one a fighting chance at obtaining financial happiness. This book will guide the readers on their road to a better life by learning how to control their money and not allowing money to control them. This book offers readers a step by step process. Forms and exercises allow readers to fine tune their budgets. A checklist guides your steps along this journey. A progress tracker records your improvements. *The Little Red Book of Financial Happiness* will simply change the way you see your money. *American Book Publishing Record*, 2003.
