Theological Issues In The Letters Of Paul:

Theological Issues in the Letters of Paul J. Louis Martyn, 2005-12-01 The fruit of decades of research the picture of Paul that Martyn paints in this major work is arresting both horrified and thankful to find in the crucifixion of God's Christ the death of the old cosmos and the birth of the new one Paul was able to pre *Theological Issues in the Letters of Paul*
James Louis Martyn, 1997 A major study on the distinctiveness of Paul's thought and its significance for Christianity today

The Apostle Paul and His Letters James B. Prothro, 2022-01-07 The letters of the Apostle Paul are central witnesses to the Christian faith and to the earliest history of Christianity And yet when students preachers and others turn to Paul they find many things hard to understand 2 Peter 3:16 in these ancient writings James Prothro's new book aims to help readers see the Apostle's faith and hope at work as he evangelized the nations Steeped in up to date scholarship and a passion for the gospel Paul preached Prothro draws readers into Paul's life and letters in order to help them hear the Apostle's voice The book's chapters offer introductions to Paul's background life and legacy an introduction to ancient letter writing a guide to understanding Paul's theology across the letters a survey of the portrait of Paul in the Book of Acts separate treatments of each letter's background and purpose treatments of key theological topics in each letter and a thorough outline of each letter showing its arguments and how they make sense Prothro introduces complex matters with clarity balance and an inviting style He not only offers answers but models how to ask questions helping us reason through Paul's letters as ancient documents and as Christian Scripture This book will prove a valuable introduction for those who study teach and preach these biblical books

The Theology of Paul's Letter to the Romans Klaus Haacker, 2003-11-27 Klaus Haacker a respected expert on Paul's writings presents a compelling introduction to the theology of the Letter to the Romans This volume completes Cambridge's successful New Testament Theology series In keeping with the series it explores the distinctive ideas and issues of the Epistle at greater length than is possible in commentaries or theological dictionaries Professor Haacker focuses on themes such as righteousness suffering and hope and the mystery of Israel in the age of the gospel Engaging with Paul's rhetoric strategy he shows how both ancient Rome and the spiritual heritage of Israel provide contexts for the Letter and help us to understand its message to the original readers and its abiding impact on Christianity The book will be of interest to teachers pastors and students of theology and the New Testament *The Theology of Paul's Letter to the Galatians*
James D. G. Dunn, 1993-09-09 Paul's Letter to the Galatians is one of the fiercest and most polemical writings in the Bible That is what makes it for the author of this study such an exciting document to deal with It emerges from the early days of a vigorous new movement Christianity when basic principles were first being formulated and when the whole character of the movement was at stake In the pages of Galatians we witness fundamental features of Christian theology taking shape before our eyes where the living heart of Paul's gospel is encountered For James D G Dunn there is an elemental quality about the letter to which those tired of compromising half truths are drawn when they feel the impulse to

return to first principles This book which benefits from this perspective on Paul explains more clearly than hitherto both the issues which confronted Paul and the powerful theological arguments he brought to bear in response and casts light on a document still capable of shaping lives and theology today **A Theology of Paul and His Letters** Douglas J.

Moo,2021-10-26 A landmark study of the apostle s writings by one of the world s leading Pauline scholars Winner of the 2022 ECPA Christian Book Award for Bible Reference Works This highly anticipated volume gives pastors scholars and all serious students of the New Testament exactly what they need for in depth study and engagement with one of Christian history s most formative thinkers and writers A Theology of Paul and His Letters is a landmark study of the apostle s writings by one of the world s leading Pauline scholars Douglas J Moo Fifteen years in the making this groundbreaking work is organized into three major sections Part 1 provides an overview of the issues involved in doing biblical theology in general and a Pauline theology in particular Here Moo also sets out the methodological issues formative influences and conceptual categories of Paul s thought Part 2 moves on to Paul s New Testament writings where Moo describes each Pauline letter with particular relevance to its theology Part 3 offers a masterful synthesis of Paul s theology under the overarching theme of the gift of the new realm in Christ Engaging insightful and wise this substantive evangelical treatment of Paul s theology offers extensive engagement with the latest Pauline scholarship without sacrificing its readability This volume brings insights from over thirty years of experience studying teaching and writing about Paul into one comprehensive guide that will serve readers as a go to resource for decades to come ABOUT THE SERIES The Biblical Theology of the New Testament BTNT series provides upper college and seminary level textbooks for students of New Testament theology interpretation and exegesis Pastors and discerning theology readers alike will also benefit from this series Written at the highest level of academic excellence by recognized experts in the field the BTNT series not only offers a comprehensive exploration of the theology of every book of the New Testament including introductory issues and major themes but also shows how each book relates to the broad picture of New Testament Theology The Letters of Paul Charles B. Puskas,1993 A Michael Glazier book Includes bibliographical references p 194 216 *Four Views on the Apostle Paul* Zondervan,2012-08-07 An introduction to ongoing debates on the apostle Paul s life and teaching and his letters ramifications for the Church of today The apostle Paul was a vital force in the development of Christianity Paul s historical and religious context affects the theological interpretation of Paul s writings no small issue in the whole of Christian theology Recent years have seen much controversy about the apostle Paul his religious and social context and its effects on his theology In the helpful Counterpoints format four leading scholars present their views on the best framework for describing Paul s theological perspective including his view of salvation the significance of Christ and his vision for the churches Contributors and views include Reformed View Thomas R Schreiner Catholic View Luke Timothy Johnson Post New Perspective View Douglas Campbell Jewish View Mark D Nanos Like other titles in the Counterpoints Bible and Theology collection *Four Views on the Apostle Paul* gives theology students the tools

they need to draw informed conclusions on debated issues General editor and New Testament scholar Michael F Bird covers foundational issues and provides helpful summaries in his introduction and conclusion New Testament scholars pastors and students of Christian history and theology will find *Four Views on the Apostle Paul* an indispensable introduction to ongoing debates on the apostle Paul's life and teaching The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Paul and his Theology Stanley E. Porter, 2006-11-01 Does Paul have a theology If so what is it or rather what is it on various topics that he and the early Church confronted This volume moves beyond the traditional discussion of whether Paul had a center to his theology to raise questions regarding his perspective on a number of important theological issues These issues include his gentile mission the concepts of faith grace and the law reconciliation the temple eschatology miracles gender and Paul's trinitarian tendencies This collection of essays addresses topics of current interest in the study of Paul's theology not to arrive at the center of his thought but to understand what factors helped to center his thinking on a variety of important theological concerns Paul Stanley B. Marrow, 1986 A major Pauline theology the first to have come out in the Catholic area in recent years which sheds light on and interprets Paul's theology by his letters his life and both against the background of his times *The Letters of Paul* Charles B. Cousar, 1996 The Interpreting Biblical Texts series presents a concise edition covering the seven undisputed epistles of Paul In this volume Charles Cousar is primarily concerned not with the man Paul and his life and work but with his surviving letters Part 1 introduces methods in reading the Pauline letters Part 2 attends to the critical themes emerging in the letters the decisiveness of Jesus Christ and old versus new life Part 3 discusses the other six letters bearing Paul's name that appear in the New Testament *Apostle of the Crucified Lord* Michael J. Gorman, 2016-12-09 THIS COMPREHENSIVE WIDELY USED TEXT by Michael Gorman presents a theologically focused historically grounded interpretation of the apostle Paul and raises significant questions for engaging Paul today After providing substantial background information on Paul's world career letters gospel spirituality and theology Gorman covers in full detail each of the thirteen Pauline epistles Enhancing the text are questions for reflection and discussion at the end of each chapter as well as numerous photos maps and tables throughout The new introduction in this second edition helpfully situates the book within current approaches to Paul Gorman also brings the conversation up to date with major recent developments in Pauline studies and devotes greater attention to themes of participation transformation resurrection justice and peace The Letters and Legacy of Paul Margaret Aymer, Cynthia Briggs Kittredge, David A. Sanchez, 2016-10-10 This commentary on the letters and legacy of Paul excerpted from the Fortress Commentary on the Bible The New Testament engages students in the work of biblical interpretation Contributors connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Romans through Philemon includes an introduction and

commentary based on three lenses ancient context the interpretative tradition and contemporary questions and challenges The Letters and Legacy of Paul introduces fresh perspectives and draws students preachers and interested readers into the challenging work of interpretation

Charts on the Life, Letters, and Theology of Paul Lars Kierspel, 2012 This useful contribution by Lars Kierspel provides us with a treasure trove of information on Paul's world life and ministry churches letters and thought All of this is condensed into a format of some 111 charts each covering a different topic related to Paul and his epistles The charts are arranged into four categories covering Paul's background and context his life and ministry his letters and finally his theological concepts Though not completely exhaustive in scope Kierspel covers the main issues in each category such as the religious and political context of Paul's world and the setting of each Pauline letter with brief introductions snapshots of its contents Current scholarly debates about such things as authorship and interpretation of problem passages are treated thoroughly and in a balanced presentation with ample bibliographical notes for further investigation Especially valuable are his treatments of topics of particular current interest and scholarly debate such as the role of women in Paul's churches the meaning of his phrase faith of Christ and the new perspective on Paul to mention but a few John Polhill Southwestern Baptist Theological Seminary

Thinking through Paul Todd D. Still, Bruce W. Longenecker, 2014-09-09 The study of Paul and his letters can be exciting challenging and life changing but only if it is done well and only if students achieve more than a basic familiarity with the subject This is exactly what Pauline experts Bruce W Longenecker and Todd D Still accomplish with their new textbook aimed at college and seminary level courses on Paul and his writings Longenecker and Still bring decades of study and expertise to Thinking through Paul challenging readers to delve deeply into Paul's writings and wrestle with his richly layered and dynamic theological discourse Seeking to situate their study of the Apostle in proper perspective Longenecker and Still first look at Paul's life before and after his encounter with the risen Christ en route to Damascus then examine each of Paul's letters individually and finally synthesize the Pauline writings to highlight the main strands of Paul's theologizing all the while keeping in mind the particular context of first century Christianity Filled with images maps charts and questions for further study and discussion Thinking through Paul is both engaging and easy to follow making it the perfect choice for classrooms and for interested readers

Apocalyptic and the Future of Theology Joshua B. Davis, Douglas Harink, 2012-11-07 Ernst Kasemann famously claimed that apocalyptic is the mother of Christian theology J Louis Martyn's radical interpretation of the overarching significance of apocalyptic in Paul's theology has pushed Kasemann's claim further and deeper Still despite the recognition that apocalyptic is at the core of New Testament and Pauline theology modern theology has often dismissed domesticated or demythologized early Christian apocalyptic A renewed interest in taking apocalyptic seriously is one of the most exciting developments in recent theology The essays in this volume taking their point of departure from the work of Martyn and Kasemann wrestle critically with the promise and possible peril of the apocalyptic transformation of Christian theology With original contributions from

established scholars including Beverly Gaventa Stanley Hauerwas Robert Jenson Walter Lowe Joseph Mangina Christopher Morse and Fleming Rutledge as well as younger voices this volume makes a substantial contribution to the discussion of apocalyptic and theology today A unique feature of the book is a personal reflection on Ernst Kasemann by J Louis Martyn himself

A Prolegomenon to the Study of Paul Patrick Hart, 2020-04-14 A Prolegomenon to the Study of Paul examines foundational assumptions that ground all interpretations of the apostle Paul This examination touches on several topics invoking issues pertaining to truth hermeneutics canonicity historiography pseudonymity literary genres and authority Underlying all of this is a guiding thesis namely that every encounter with Paul involves Pauline Archimedean points or fixed points of reference that establish the measure for constructing any interpretation of Paul whatsoever Building on this the author interrogates various issues that inform the formation of these Pauline Archimedean points in pursuit of an important but modest goal to urge Pauline readers to engage in a modicum of self reflection over the various considerations that precondition all of our efforts to comprehend Paul

Paul's Letter to the Romans Colin G. Kruse, 2012-06-14 Paul's Letter to the Romans may well be the most influential book in Christian history In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator judge and redeemer of the world Valuable additional notes on important theological themes and difficult texts such as Paul's discussion of same sex relationships the salvation of all Israel and the woman Junia who was well known among the apostles further connect Romans to contemporary issues Throughout his commentary Kruse expertly guides readers through the plethora of interpretations of Romans providing a reliable exposition of this foundational epistle

The Theology of Paul the Apostle James D. G. Dunn, 2006-05-17 Using Paul's letter to the Romans as the foundation for his monumental study of Paul's theology James D G Dunn describes Paul's teaching on God sin humankind Christology salvation the church and the nature of the Christian life

Paul, the Pastoral Epistles, and the Early Church () James W. Aageson, 2007-10-01 Paul's influence on the history of Christian life and theology is as profound as it is pervasive A brief survey of almost twenty centuries of Christian thought and practice will confirm the enduring importance of Paul for the life of the church in the Roman and Protestant traditions of the West as well as the Orthodox traditions of the East Even as Christianity at the dawn of its third millennium has become increasingly global and traditions have come to develop and intersect in new and complex ways Paul's place in the story of Christianity remains deeply rooted in the church's theology worship and pastoral life In both past and present Paul's influence on the Christian church can hardly be overestimated Among the many intriguing issues generated by the historical Paul his New Testament letters and early church history is the question what happened to Paul after Paul Whether we think in terms of the reception of Paul's theology or the ongoing legacy of Paul or early Christian reinterpretation of his letters the questions persist what did the early church do with Paul's memory How did it reshape his theology And what role did his letters come to play in the life of the church The focus of the present discussion is in the early decades and centuries of

Christianity a time when the memory and legacy of Paul came to serve varied and often competing interests in the emerging church It was a time when Paul s reputation and importance to the church were being reinforced and when his epistles were gaining the authority that would ensure their place in the sacred library of Christianity It was also the time when the Jesus movement forged itself into Christianity a process in which Paul played a pivotal role and eventually also became an object of revision and transformation himself What is virtually indisputable in this process is that Paul during his lifetime and after played a critical role in making Christianity what it was to become

Reviewing **Theological Issues In The Letters Of Paul**: Unlocking the Spellbinding Force of Linguistics
