Theology For Skeptics:

Theology for Skeptics Dorothee Sölle, 1995 In these nine short chapters Soelle seeks to leverage our incipient desire for social political and gender justice into commitment to God's justice The question of God becomes then not an argument or even a summons but a deeper engagement with life itself and its central mysteries *Christianity Considered* John M. Frame, 2018-05-16 Christianity is more than a religion it is also a complex intellectual tradition Christians and non Christians who want to understand the world as it is today have to understand Christianity too Christianity makes objective claims but also presents a new way of thinking about the world In *A Guide to Christianity for Skeptics and Seekers* renowned theologian Dr John Frame introduces the reader to the Christian religion and its unique intellectual framework describing the key pillars of Christian thought and how these shape the Christian worldview Covering a range of topics from the resurrection to the Christian posture toward politics *A Guide to Christianity for Skeptics and Seekers* is a valuable guide to understanding the Christian faith as an intellectual tradition Useful for both the Christian reader looking for a better understanding of the faith and the skeptical reader who seeks to understand the intellectual tradition that has done much to shape the modern world

The Reason for God Timothy Keller, 2008-02-14 A New York Times bestseller people can believe in by a pioneer of the new urban Christians *Christianity Today* and the C S Lewis for the 21st century *Newsweek* Timothy Keller the founding pastor of Redeemer Presbyterian Church in New York City addresses the frequent doubts that skeptics and even ardent believers have about religion Using literature philosophy real life conversations and potent reasoning Keller explains how the belief in a Christian God is in fact a sound and rational one To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism And to skeptics atheists and agnostics he provides a challenging argument for pursuing the reason for God **The Theology of Dorothee Soelle** Dorothee Sölle, Sarah K.

Pinnock, 2003-09-10 Leading experts analyze the innovative work of theologian Dorothee Soelle *Religion for Skeptics* William B. Silverman, 1967 How We Believe, 2nd Edition Michael Shermer, 2003-10 Recent polls show that 96% of Americans believe in God Why are people turning to religion in greater numbers than ever before In *How We Believe* Michael Shermer presents the results of an exhaustive empirical study in which he asked 10 000 Americans how and why they believe and about details of their faith The result offers fresh and startling insights into age old questions When Skeptics Ask

Norman L. Geisler, Ronald Matthew Brooks, 1990-01-01 Is Christianity true or even reasonable Helpful question answer format gives readers quick access to clear explanations **The Problem of God** Mark Clark, 2017-08-22 The Problem of God explores answers to the most difficult questions raised against Christianity A skeptic who became a Christian and then a pastor author Mark Clark grew up in an atheistic home After his father's death he began a skeptical search for truth through the fields of science philosophy and history eventually finding answers in the last place he expected Christianity In a winsome persuasive and humble voice The Problem of God responds to the top ten interrogations people bring against God and

Christianity including Does God even exist in the first place What do we do with Christianity's violent history Is Jesus just another myth Can the Bible be trusted Why should we believe in Hell anymore today Each chapter answers the specific challenge using a mix of theology philosophy and science Filled with compelling stories and anecdotes The Problem of God presents an organized and easy to understand range of apologetics focused on both convincing the skeptic and informing the Christian The book concluding with Christianity's most audacious assertion how should we respond to Jesus claim that he is God and the only way to salvation

That's Just Your Interpretation Paul Copan, 2001-11-01 In our relativistic society Christians more than ever are bombarded by tough questions about their faith Author Paul Copan has observed that many of these questions emerge as anti truth claims that are part of today's skeptical mind set Christians defending their faith often hear slogans and questions such as It's all relative Everything is one with the Divine all else is illusion The Gospels contradict each other Why would a good God create hell This book provides incisive answers to slogans related to truth and reality theism pantheism Eastern religion and naturalism and doctrinal issues such as the incarnation and truth of Scripture Each of the twenty two chapters provides succinct answers and summary points for countering the arguments Copan's book is accessible for all Christians who want to defend the plausibility of Christianity in the marketplace of ideas It also includes helpful summary sections additional resources and additional documentation in the endnotes for review and discussion

Scripture, Skepticism, and the Character of God Dane Neufeld, 2019-07-11 During a period of great religious upheaval Anglican philosopher and ecclesiastic Henry Longueville Mansel 1820-1871 became

famous for his 1858 Bampton Lectures which sought to defend traditional faith by employing a skeptical philosophy. Understanding Mansel and the passionate debate that surrounded his career provides insight into the current struggle for ancient religions to articulate their traditions in a modern world. In *Scripture Skepticism and the Character of God* Dane Neufeld explores the life and thought of the now forgotten nineteenth century theologian. Examining the ideological differences between this philosopher and his contemporaries, Neufeld makes a case for the coherence of Mansel's position and traces the vestiges of his thought through the generations that followed him. Mansel found himself at the centre of an explosive debate concerning the Christian scriptures and the moral character of the God they described. Though the rise of science is often credited with provoking a crisis of doubt, shifting ideas about humanity and God were just as central to the spiritual unrest of the nineteenth century. Mansel's central argument that the entire Bible must be read as a unified witness to the reality of God provoked disagreement among theologians, churchmen, and free thinkers alike who were uncomfortable with certain aspects of the scriptural portrayal of God's activity and character. Mansel's attempt to reconcile theological skepticism with scripturalism was misunderstood. He was branded a hopeless fideist by the free thinkers and a dangerous skeptic by high broad and evangelical churchmen alike. Many of the controversies in contemporary Christianity concern the collision between modern morality and biblical renderings of God. Neufeld argues that Henry Mansel, while a deeply polarizing figure, brought clarity and precision to this debate by exposing what was at stake for Christian belief and biblical interpretation in the Victorian period.

Defending Your Faith, revised and expanded edition Dan Story, 2019-03-26. Real answers for the tough questions today's Christians face. Whether you want to grow in your own understanding of Christianity or need trustworthy responses to the questions of friends, Dan Story has the answers. *Defending Your Faith* helps Christians see that their faith is reasonably and intelligently grounded on objective, verifiable evidence. And it equips readers to share these answers with family, friends, and coworkers who have questions about Christianity. Story's book has filled a valuable niche in apologetics for the past twenty years. He has helped countless readers answer confrontational questions such as: How do I know that God exists? Can I trust the Bible? Why is there evil and suffering in the world? Is God an environmentalist? Are the Bible and science in conflict? In this revised and expanded edition, Dan Story goes even further. With the latest apologetic evidence and tactics, he not only answers those age-old questions but also deals with new challenges to Christianity that have emerged over the last two decades, including the ubiquitous presence of social media. He also responds head-on to the new breed of vocal aggressive man on the street atheists. With culturally relevant strategies and a firm foundation of truth, *Defending Your Faith* will challenge you to share your faith with others while knowing that you are not alone as you witness for Christ.

Scripture and the Skeptic Eric Huffman, 2021-02-02. The Bible is the best-selling, most widely read, and most quoted book in history. It is also misunderstood, misquoted, and fiercely debated. If, as Christians believe, the Bible is the Word of God, why is it so complex and difficult to interpret in parts yet simple enough for even children to understand in others? In

Scripture and the Skeptic Eric Huffman author of 40 Days of Doubt helps readers understand and cope with confusion about the Bible and provides answers to questions by reframing it as a perfect and seamless story Huffman illustrates how the Bible even the parts some consider ungodly presents the beautiful story that God intended to tell Through storytelling from his own experiences and his take on Bible stories Huffman helps readers understand the Bible by interpreting the entire book through the lens of Jesus s life death and resurrection He shows how every part of the Bible is either crying out for Jesus witnessing his incarnation or responding in the aftermath of his resurrection Readers discover how to trust the Bible as God s beautiful and perfect salvation story Includes questions with each chapter for personal reflection or group study From the author of 40 Days of Doubt Devotions for the Skeptic **I Am a Christian, This Is Why** Kinite McCrae,2018-12-16

Evenings with the Skeptics John Owen,1881 Mere Apologetics Alister E. McGrath,2012-01-01 Throughout history there have been great and articulate defenders of the faith from Augustine and Aquinas to Jonathan Edwards G K Chesterton Francis Schaeffer and C S Lewis But with new challenges comes the need for a fresh apologetic that specifically addresses the arguments levied against faith in our time of scientific atheism and skepticism In the spirit of C S Lewis s Mere Christianity Alister McGrath s Mere Apologetics seeks to equip readers to engage gracefully and intelligently with the challenges facing the faith today while drawing appropriately on the wisdom of the past Rather than supplying the fine detail of every apologetic issue in order to win arguments Mere Apologetics teaches a method that appeals not only to the mind but also to the heart and the imagination This highly accessible easy to read book is perfect for pastors teachers students and lay people who want to speak clearly and lovingly to the issues that confront people of faith today *Theology and Meaning: a Critique of Metatheological Skepticism* Raeburne Seeley Heimbeck,1963 **The Blackwell Companion to**

Nineteenth-Century Theology David Fergusson,2010-03-18 Bringing together a collection of essays by prominent scholars The Blackwell Companion to Nineteenth Century Theology presents a comprehensive account of the most significant theological figures movements and developments of thought that emerged in Europe and America during the nineteenth century Representing the most up to date theological research this new reference work offers an engaging and illuminating overview of a period whose forceful ideas continue to live on in contemporary theology A new reference work providing a comprehensive account of the most significant theological figures and developments of thought that emerged in Europe and America during the nineteenth century Brings together newly commissioned research from prominent international Biblical scholars historians and theologians covering the key thinkers confessional traditions and major religious movements of the period Ensures a balanced ecumenical viewpoint with essays covering Catholic Russian and Protestant theologies Includes analysis of such prominent thinkers as Kant and Kierkegaard the influence and authority of Darwin and the natural sciences on theology and debates the role and enduring influence of the nineteenth century anti theologians *The Scandal of Divine Love* Robert P. Vande Kappelle,2017-10-20 There is no more important topic for

inquiry today than the meaning and message of Jesus for in this quest lies the solution to human discontent and despair Examining an array of titles for Jesus found in the New Testament expressions ranging from rabbi and messiah to Wisdom of God Word of God and Lord this study explores why Christology is not simply the study of Jesus Christ but also of the highest and best in us all Who is Jesus Christ and what is his significance for today Was he fully human the perfect human God in disguise or somehow all of these simultaneously The key is to begin where the first Christians began with their experience of Jesus and then to press forward with the development of that understanding in our experience of Christ While The Scandal of Divine Love is designed for Christian believers survivors it embraces skeptics and seekers alike mindful that within each of us are multiple voices sometimes affirming sometimes questioning occasionally even denying Whether you consider yourself primarily as skeptic seeker or believer this study encourages you to listen appreciate and cultivate each voice This volume ideal for individual and group study will help you discover anew the magnificence of the life and person known to us as Jesus of Nazareth as guide exemplar and Lord *The Reason for God* Timothy Keller, 2008 Although a vocal minority continues to attack religious faith for most Americans faith is a large part of their lives 86% of Americans refer to themselves as religious and 75% of all Americans consider themselves Christians So how should they respond to these passionate learned and persuasive books that promote science and secularism over religion and faith For years Tim Keller has compiled a list of the most frequently voiced doubts skeptics bring to his Manhattan church here he dismantles each of them Written with atheists agnostics and skeptics in mind Keller also provides an intelligent platform on which true believers can stand their ground when bombarded by the backlash This book challenges such ideology at its core and points to the true path and purpose of Christianity From publisher description
