The Theory of Attraction Delphine Dryden,Christine D'Abo,Jodie Griffin,2012 This is what happened I met him at the candy store He turned and smiled at me and I was surprised enough to smile back This was not a children s candy store mind you this was the kind of place you went to buy expensive imported chocolate truffles for your boss s wife because you felt guilty for having sex with him when you were both at a conference in Milwaukee Hypothetically speaking of course I ve been hit on plenty of times mostly by men with little finesse who thought what was between their legs made up for what they lacked between their ears Sometimes I went home with them anyway just because it felt good to want and be wanted even if

it was mostly fake The problem with wanting is that it s like pouring water into a vase full of stones It fills you up before you know it leaving no room for anything else I don t apologize for who I am or what I ve done in or out of bed I have my job my house and my life and for a long time I haven t wanted anything else Until Dan Until now *The Seduction Hypothesis* Delphine Dryden,2013-05-06 Book two of The Science of Temptation 1 Curious Sub 1 Dom in Denial Inhibitions 4 Naughty Nights Wildlife biologist Lindsey thought attending a fan convention with her new boyfriend Ben was a great idea until their relationship imploded Lindsey still lusts after her ex but if he wants her he s going to have to prove he can give her what she needs Ben will do anything to win Lindsey back and when he sees her in her skimpy black vinyl convention getup he realizes what she s been craving all along And he s inspired to finally give in to his own dark desire to take complete sexual control Lindsey is surprised by her reaction to Ben s kinky new seduction techniques and suddenly sees the brilliant but boring code guru in a different light After several erotic encounters in hotel rooms and stairwells she s falling for him all over again And wondering if the intimate connection will last once they head home Love smart sexy heroes and heroines Check out The Theory of Attraction available now 38 000 words *Theories of attraction and love* Connecticut College Symposium on Theories of Interpersonal Attraction in the Dyad,1972 Theory of Attraction Alma Marie Wuest,1920 **Propositions in the Theory of Attraction** William Thomson Kelvin (Lord.
