Theres A Hamster In The Dashboard A Life In Pets:

There's a Hamster in the Dashboard David W. Berner, 2015-05-15 A book of essays by award winning author and journalist David W Berner is the next best thing to storytelling around a bonfire In *There's a Hamster in the Dashboard* Berner shares stories of a life in pets from a collie that herds Berner home when the author goes streaking through the neighborhood as a two year old to a father crying in front of his son for the only time in his life while burying the family dog on the Fourth of July And from the ant farm that seems like a great learning experience until the ants learn how to escape to the hamster that sets out on its own road trip but only gets as far as the dashboard Along the way Berner shows that pets not only connect us with the animal world but also with each other and with ourselves The result is a collection of essays that is insightful and humorous entertaining and touching

October Song David W. Berner, 2017-04-28 In the vinyl era David W Berner played rock n roll in a neighborhood garage band Decades later at the age of 57 he enters a national songwriting contest and quite unexpectedly is named a finalist But there's more He's called on to perform the song live at a storied venue for Americana music Grabbing his old guitar and the love of his life David hits the road hoping to live out a musical fantasy he thought had been buried long ago *October Song* is a powerful examination of the passage of time love the power of music and the power of dreams

Walks With Sam David W. Berner, 2020-08-28 A man his dog and a long walk can lead to unexpected discoveries In the tradition of many literary walkers David W Berner sets out on foot hoping to reexamine his life look back and forward and most importantly through the help of his young dog Sam try to find harmony in new beginnings and the uncertainties of the present In a series of chapters each dedicated to one walk during a summer of hiking the author finds that it is his beloved pet that allows him to awaken to a new spirit of mindfulness finding beauty wonder and comfort in the ordinary and to see a life a neighborhood and even a country with brand new eyes With gentle humor and brilliant musings both past and present *Walks With Sam* has the charm and the innate truthfulness that some find in a work of art a daily quest tinged with wonder and mystery with each forward step L B Johnson author of *The Book of Barkley*

A Well-Respected Man David W. Berner, 2018-01-04 Professor Martin Gregory is a respected Chicago writer After falling in love with a student and eventually losing both her and his job he moves to the English countryside to re balance his life Is his character strong enough to confront what he discovers there or will he run from his biggest challenge Chicago Professor Martin Gregory is the author of a critically acclaimed novel of love and longing a cult favorite among women The book brings him unexpected status and prestige but also unwelcome fame A love affair with one of his students derails his career and breaks his heart Coming to terms with a life knocked off balance Martin retreats to a quiet English village only to be confronted at his flat by a mystery woman with an unexpected message and an implausible request one that could alter his life forever A cross country train trip a visit to his father's grave and a re examination of a deep loss will eventually reveal either Martin's greatest character or unearth his most heartbreaking flaw *A Well Respected Man* is about the hard choices

Psychology in Everyday Life David G. Myers,2011-02-18 Creating an exceptionally student friendly textbook in psychology isn t just about making the chapters shorter and pages more colorful It s about using that type of format to provide a clear portrait of psychological science concise but not oversimplified all while continually answering the recurring student question What does this have to do with me David Myers brief introduction to psychology Psychology in Everyday Life certainly does offer brief easily manageable chapters and a colorful image rich design both shaped by extensive research class testing and instructor student feedback But what makes it such an exceptional text is what flows through those chapters rich presentations of psychology s core concepts and field defining research examined in context of the everyday

lives of all kinds of people around the world and communicated in the captivating storyteller's voice that is instantly recognizable as Myers. The new edition of *Psychology in Everyday Life* offers an extraordinary amount of new research, effective new inquiry-based study tools, and further design innovations all while maintaining its trademark brevity and clean layout. And it is accompanied by an innovative media supplement of the same scope as all of David Myers' more comprehensive textbooks.
