David Livingstone Vance Christie, 2023-07-11 David Livingstone was one of the most consequential individuals who lived in the nineteenth century An unpretentious Scottish missionary doctor explorer and abolitionist he opened the door for

Christianity in southern Africa Vance Christie s biography is the most comprehensive and accurate ever written about Livingstone During his lifetime he was a hero in Britain and beyond and gained a degree of respect trust appreciation and even affection with many African people He was a man who overcame many deprivations and discouragements and displayed the utmost measure of courage self control faith wisdom and ingenuity Christie takes a balanced look at Livingstone s amazing achievements but also at his very real flaws This gripping in depth biography is a must read insight into a fascinating man David Livingstone Charles Silvester Horne,1914 On March 19th 1913 a hundred years will have passed since David Livingstone was born It is only forty years since his body was carried by faithful hands from the centre of Africa to the coast that he might be buried among his peers in Westminster Abbey Nothing that has happened since has diminished by a single laurel the wreath he won and will wear for ever With every decade his fame greatens and whatever our views on African problems might be we may all agree that her white population may well pray for a double portion of his spirit The present biography aspires to present his life to those in our busy century who ask for short measure and a clear simple narrative of facts The author has not aimed so much at telling the story as at allowing the story to tell itself It may be added that in the belief of the writer Livingstone is greatest not as a scientist nor an explorer but as a man and a missionary Preface

David Livingstone Barbour Publishing, Sam Wellman, 2004-07 People need inspiration like never before and here it is Barbour s Heroes of the Faith series is back in a new format at a new lower price Adults and adolescents will be inspired by the bravery commitment perseverance and wisdom of this great Christian leaders finding compelling easy to read biographies of missionaries evangelists hymn writers and others who made their mark for Christ beyond the walls of the church Heroes of the Faith the name says it all **The Life of David Livingstone** Blaikie, W. Garden, 2015-02-05 The life of David Livingstone by W Garden Blaikie is mostly from his unpublished journals and correspondence in the possession of his family and contains over 40 illustrations The purpose of this work was to make the world better acquainted with the character of Livingstone His discoveries and researches have been given to the public in his own books but his modesty led him to say little in these of himself and those who knew him best feel that little is known of the strength of his affections the depth and purity of his devotion or the intensity of his aspirations as a Christian missionary The growth of his character and the providential shaping of his career are also matters of remarkable interest of which not much has yet been made known An attempt has been made in this volume likewise to present a more complete history of his life than has yet appeared Many chapters of it are opened up of which the public have hitherto known little or nothing It has not been deemed necessary to dwell on events recorded in his published Travels except for the purpose of connecting the narrative and making it complete Even on these however it has been found that not a little new light and color may be thrown from his correspondence with his friends and his unpublished Journals Much pains was taken to show the unity and symmetry of his character As a man a Christian a missionary a philanthropist and a scientist Livingstone ranks with the greatest of men and shows the minimum

of infirmity in connection with the maximum of goodness Nothing can be more telling than his life as an evidence of the truth and power of Christianity as a plea for Christian Missions and civilization or as a demonstration of the true connection between religion and science The recovery of an important private journal of Dr Livingstone which had been lost at the time when the Missionary Travels was published has thrown much new light on the part of his life immediately preceding his first great journey A Map has been specially prepared in which the geographical references in the volume are shown which will enable the reader to follow Livingstone s movements from place to place With so much material it would have been easier to write a life in two volumes than in one but for obvious reasons it has been deemed desirable to restrict it to the present limits W Garden Blaikie wrote one if not the fullest and most lively account of the personal life and ministry of Dr Livingstone that has ever been put out He gives the reader a real feel for the struggles and the joy that Dr Livingston experienced as well as a true atmosphere of the ages in which he lived By the end of the book not only is the reader fully acquainted with Dr Livingston but one feels as though you know him David Livingstone C. Silvestre Horne,2020-07-27 Reproduction of the original David Livingstone by C Silvestre Horne David Livingstone Dan Larsen,2008 This is the biography of Dr David Livingstone nineteenth century Scottish missionary and explorer who pioneered Christian missions in much of interior Africa *The Story of David Livingstone* Vautier Golding,1906
