Trinity The God We Dont Know Belief Matters:

Trinity Dr. Jason Byassee, 2015-05-19 Most people assume they know what they mean when they use the word God They mean a powerful old guy in the sky ready to obliterate us if we do wrong but basically benevolent if a little senile The Christian doctrine of the Trinity shows us God is vastly more interesting God is actually fleshed among us in Jesus poured out on us in the Holy Spirit s intoxication of the church God is three divine persons in perfect harmony and beauty and God invites us into that unimaginable intimacy We don t know this God but we should Trinity uses scripture the Early Church tradition and some modern theology to argue that God is a mystery whom we can t understand but who can shape our misunderstanding to allow for faithful living and holy love of God and neighbor Jason Byassee thinks like a theologian writes like a journalist and communicates like a storyteller We live in a time of trinitarian dissonance when the central doctrine of the Christian faith is strangely neglected by most Christians Byassee s wonderful exploration of the Trinity offers a remedy for that by providing a meat and potatoes introduction to the God who is at once Father Son and Holy Spirit An excellent spiritual guide for both mature Christians and those brand new to the Christian faith Rev Dr Andrew C Thompson Assistant Professor of Historical Theology Wesleyan Studies Memphis Theological Seminary Memphis TN and Wesley Scholar for the Arkansas Conference of the United Methodist Church In trying to communicate the trinitarian relationship Byassee succeeds in making the indescribable a little more coherent while reminding us of the all consuming love of God Trinity is a little book of rigorous thought and deep devotion It is rare these days to find a work of theology that stirs the intellect the heart and the spirit And I have to admit in reading this book I fell in love with the Holy Spirit all over again Enuma Okoro Nigerian American writer speaker and award winning author of Reluctant Pilgrim Silence and Common Prayer A Liturgy for Ordinary Radicals Does It Matter What I Believe? Samuel James, 2023-01-11 How Sound Doctrine Influences Every Area of the Christian Life Doctrine might be something you ve heard in church but how does it impact your life Christian doctrine examines what the Bible teaches about particular topics such as the nature of God the nature of humanity how humans should live and more By understanding biblical truths believers have the tools to understand God interpret Scripture and live godly lives In this addition to the Church Questions series Samuel James addresses how doctrine influences every area of life for the believer Many individuals know that their beliefs matter in certain areas of life such as politics but don t always understand how key biblical principles like the Trinity ecclesiology and the atonement should shape their everyday lives It is easy to think that doctrine is only for theologians but in reality it is essential for everyone humanity was created to know the truth about God themselves and the world Part of the Church Questions Series Developed to give biblical insight into common questions Ideal for New Christians Introduction to the relationship between doctrine and living out the Christian life Short and Accessible Format Concise biblical teaching on the church s system of beliefs **The Works of Aurelius**
