Inclusive Community Development Through Tourism and Hospitality Practices Nadda, Vipin, Gonzo, Faithfull, Batta, Ravinder, Sharma, Amit, 2023-04-24 Sustainable tourism should not be limited to environmental preservation the sociocultural and economic sides should also be considered There is a need for an integrated approach recognizing the resources facilities and infrastructures that are interrelated with the social cultural and natural environment Community development becomes a reality only by merging the principles of sustainability with growth objectives Even though investments in environmentally friendly infrastructure and related services are fundamental there is a need to address gender inequalities exploitation and commercialization of culture Further there is a need to prioritize the link between tourism and poverty reduction Inclusive Community Development Through Tourism and Hospitality Practices explores various viable strategies for the adoption of sustainable approaches that can eventually boost economic growth and poverty reduction all over the world Covering topics such as international tourism sustainable development and tourism reinforcement this premier reference source is an excellent resource for business leaders and managers students and educators of higher education community leaders government officials librarians researchers and academicians

Tourism Leszek Butowski, 2016-05-04 Tourism is that area of activity of contemporary man that touches on various fields of human interest Representatives of numerous academic disciplines find it intriguing for its exceptionally interdisciplinary character Conditions for and consequences of the development of tourism are investigated among others by economists geographers sociologists experts in culture anthropologists management and social policy specialists and even by representatives of some natural sciences Researchers dealing with tourism need to meet strict methodological requirements but they get access to a very interesting subject of scientific inquiry which combines social cultural economic and environmental aspects to create an ontologically new quality offering epistemological challenges

The Albergo Diffuso Model Maurizio Droli, 2019-12-02 The hospitality model called Albergo Diffuso AD or scattered hotel has been engineered by Mr Giancarlo Dall'Ara and described by The New York Times as a way of bringing life back to historic towns and rural

hamlets by utilizing unused rooms for tourism This simple but genial model devised in Italy in the mid 90 s received an award from the UNDP for its sustainability but despite the spread of AD s no peer reviewed books have previously been published in English focusing on this innovation In this book the author therefore begins by exploring the AD as a community based hospitality model examining both its pros and cons He then considers conviviality sense of security and other factors that Hans Magnus Enzensberger referred to as luxuries of our time for urban dwellers These represent the key pre requisites a location must possess to be deemed suitable for this innovation Next investors and co interested private public and not for profit associations are provided with a structured framework to help them achieve a defensible competitive advantage by harnessing the economic potential of valuable rare inimitable and non substitutable VRIN resources The final section assesses the AD as a business model evaluating various aspects at the heart of any business plan
