 Updated and Expanded Edition with Study Guide** Austen Hartke,2023-03-21 In 2014 Time magazine announced that
 America had reached the transgender tipping point suggesting that transgender issues would become the next civil rights
 frontier Years later many people even many LGBTQIA allies still lack understanding of gender identity and the transgender
 experience Into this void trans biblical scholar Austen Hartke brings a biblically based educational and affirming resource to
 shed light and wisdom on gender expansiveness and Christian theology This new edition offers updated terminology and
 statistics plus new materials for congregational study preaching and pastoral care Transforming deftly weaves ancient and
 modern stories that will change the way readers think about gender the Bible and the faith to which Jesus calls us Hartke
 helps readers visualize a more inclusive Christianity equipping them with the language understanding confidence and tools
 to change both the church and the world **Sexual Deceit** Kelby Harrison,2013-03-14 Sexual Deceit is an extended ethical
 analysis of the phenomenon of sexual identity passing i e socially presenting as X when one understands oneself as Y where
 the variables represent any contemporary sexual identity alongside identity passing in the contexts of race gender and briefly
 religion and class The analysis of passing utilizes and challenges traditional moral understandings of identity falsification
 complicating our understandings of moral obligations under systemic oppression Tracing the intervention of social
 construction theory on contemporary political understandings of LGBT communities and activism Sexual Deceit argues
 against social construction models of identity notably performativity promulgated by the work of Judith Butler and consumed
 and repeated by many scholars and theory educated queer people A new model of identity is constructed based on a
 phenomenological concept of style that provides for a socially adjustable yet rooted notion of sexual identity The ethical
 implications of sexual identity passing are considered in the context of eschatological images of social justice and within
 practical matters such as military service leadership and sexual harassment law **Trans Historical** Greta LaFleur,Masha
 Raskolnikov,Anna Klosowska,2021-11-15 Trans Historical explores the plurality of gender experiences that flourished before
 the modern era from Late Antiquity to the eighteenth century across a broad geographic range from Spain to Poland and
 Byzantium to Boston Refuting arguments that transgender people experiences and identities were non existent or even
 impossible prior to the twentieth century this volume focuses on archives literary texts trial transcripts documents and
 artifacts that denaturalize gender as a category The volume historicizes the many different social lives of sexual
 differentiation exploring what gender might have been before modern medicine the anatomical sciences and the
 sedimentation of gender difference into its putatively binary form The volume s multidisciplinary group of contributors
