Trapped My Life With Cerebral Palsy:

Trapped Fran Macilvey, 2018 Trapped Fran Macilvey, 2014-03-04 Living in the Belgian Congo with her husband in the 1960s Fran's mother became pregnant with a daughter. However, right after she gave birth in the hospital, she felt strange. Unbeknownst to anyone, another daughter was on the way, but before anybody responded, an hour had passed. Because of the delay, Fran was born with cerebral palsy. Growing up with her siblings in Africa, Fran always felt different. When everyone else was playing and having fun, she would watch and wish she could join in. After the family moved to Scotland and Fran grew older, her hurt turned into anger, self-hatred, and suicidal depression. Then one day, someone looked at her and saw a woman to love, and that was the start of her journey to self-acceptance. Fran has written the painful truth about her life to help readers understand how disabled adults really feel. In her revealing account, she shows just how hard it is to maintain the appearance of a normal life. More importantly, out of her million and one mistakes, she has come to lessons in real acceptance, peace, and joy, which she would like to share with her readers.

Footprints of Life Lessons Penny Muza, 2019-11-07 The newborn baby cry announced that he was alive; heaven applauded, but the world slapped a label on his forehead. There began Ron's life story of jeers, rejection, ridicule, unwelcome comments, strange looks, laughter, and abandonment. How can one tame emotions not to run away with every experience of life's troubles? This is a book that reveals the resilience of a human spirit in the face of life's troubles. In reading this book, you will be challenged, encouraged, motivated, and hopefully will lead you to search your own heart and find your purpose in life. Paul Pettit, B. Jason Epps, 2024-08-06 According to the CDC one in four people in the United States lives with a disability yet many of our churches don't resemble this reality Attempts to welcome those with a disability are often implemented by well meaning but ill informed people The results can lead to those with disabilities feeling excluded and isolated from the family of God One Body One Spirit gives eyes to the able bodied to see the challenges experienced by those with disabilities Physical barriers to places of worship classrooms and small group settings leave people outside the gathered family of God Emotional barriers like fear and prejudice preclude them from using their spiritual gifts How can church communities on both the congregational and individual level address these issues B Jason Epps and Paul Pettit provide a road map by looking at a biblically informed solution They survey disability in the Old and New Testaments provide a vision for full integration outline how to conduct a disability audit and offer a five step plan for how to change the culture of your church *Moments of Grace* Janae Hofer, 2022-07-19 Praise for Moments of Grace The Bible tells us that the testing of our faith produces perseverance James 1:2-4 You won't find many people who demonstrate perseverance the way Janae Hofer does Her story is inspiring humbling and at times gut wrenching but it will give you insight into the mind and heart of an amazing young woman Jim Daly President Focus on the Family Unaware of her hidden turmoil many are

impressed with Janae Hofer's unrelenting drive to open her own law practice despite needing assistance with every physical task because of cerebral palsy a disability hindering her every movement But her life is more than physical struggles It's also joy and sorrow laughter and pain victory and defeat In *Moments of Grace* Hofer narrates her story through her human lens calibrated to God's grace This reflective focus reveals glimpses of the golden thread in all of life's moments She tells how God provided her with a loving Christian family and carefully cultivated friendships Preserving her life despite suicide attempts God granted her strength to persevere when continual underestimation by colleagues and bosses built a steel coffin around her This memoir shares the contrast between Hofer's hopeless feelings at different moments and her grateful perspective as she now looks back Through her story she encourages you to use the recalibration questions to make your perspective on your own life one of gratitude and humility She prays this book will be one tool God uses to point you toward a deeper understanding of his unfailing grace in every moment past present and future
