The Waiting Room Darlene Martens,2024-11-16 When a diagnosis of prostate cancer sends Jake and Darlene into turmoil their new normal includes sitting in a lot of waiting rooms They constantly find themselves having to wait for tests test results and doctor s reports They also create waiting rooms in their own minds where they struggle with fear anxiety and worry Since an appointment isn t necessary to see the Great Physician they go to Him often and sit with Him in His waiting rooms of grace hope trust praise and prayer And when they ask Him to heal Jake the Lord responds Wait Over time Jake s body grows weaker but his faith in Jesus remains strong as he recalls a faithful loving and trustworthy God How will this story end Will Jake experience healing while in this waiting room called life Or will his healing come when the Lord calls him home

Why Does an Orderly God Allow Disorder Patience Johnson,2012-09-24 I wrote this book in my darkest time and realized that I must use my experiences to teach people many ways to enjoy both sides of life I believe that there is no such thing as a good time or bad time in life Rather I see opportunities for creative invention regeneration growth circumcision of heart and thinking about the past and the future I wrote this book to answer some of the worlds most commonly asked questions which always cross my mind I propose many sources of the problems we have in the world as well as solutions for how to handle them Do the politicians really have the solution to our economic problems Can the world ever experience peace and harmony Has religion done us more harm than good Is there really a God If there is one where can we find him her I think that after reading this book most of your questions will be answered Human beings forget that there are two sides to everything the good and the bad the sun and the moon night and day light and darkness Unfortunately we choose to see only the good sides of existence as being beneficial and refuse to embrace and see the opportunities that can come from the hard times We may be so busy seeing the faults of other people and not our own could that be one of the reasons we seem to misunderstand each other I hope to impart my wisdom to you Do not worry about death but consider how to be prepared when it comes Additionally you must acknowledge God and his sovereignty and not only by attending church or Mosque This book also teaches about parenting attitudes character and many other things about life *Mountain Top*

Living by Faith, Not by Feelings Dale Funderburg,2022-01-15 Living by Faith Not by Feelings is an account of what seemed to be an insurmountable circumstance The lighthearted approach reveals an outlook that communicates God s grace with a southern and country charm as well as a humorous outlook on life no matter how dire the circumstances Living by Faith Not by Feelings began as a labor of love to honor the author s church family of First Baptist Church in West Point Mississippi This church family faithfully prayed and supported the Funderburgs through an almost unbelievable timeline of medical drama emotional trauma and personal sorrow as told in each chapter as My Story Since developed into this thirty one day devotional including Our Story the work has been organized to testify to God s sufficient grace to enable the reader to apply biblical principles into their own daily lives Pain in life is complicated This author attempts to describe how faith can govern our feelings by confidence in the sovereignty of God Living by Faith Not by Feelings is also a tribute that attempts to honor and remind our heroes who work in the medical field of the importance of their role to not only address the physical body but also to comfort the fearful soul
