A Cry For Relief David A Wheeler, 2022-11-03 Suffering is an ugly word especially when it s an undisputable part of your own life It can literally destroy you mind body and spirit It can control you and turn you into someone you have never been A loving spiritual minded person can become a crooked human being bitter desolate wretched and hopeless but still a human being Suffering transforms our attitude about ourselves Instead of us being self confident and outgoing it can humble us to the point of wanting to die It removes the blinders to our vulnerability It makes us fragile and weak and it can often bring out the worst in us A crooked tree is still a tree Not every tree is tall and straight nor is any person exempt from pain and suffering A tornado can take a strong straight tree and turn it into a pile of rubble with one gust Just so none of us expect to experience the pains of loss disability and suffering that may come without warning but in a split second changes the course of the rest of our lives Even the strongest and most godly of human beings can reach a breaking point when the tragic events of life crush their human spirit However one of the lessons that I have learned through this experience is that God is not finished with me yet I can find strength in my relationship with him and discover that I still have gifts to offer him I must remember that God blesses even the crooked tree with what it needs to continue living When I first wrote this book I had been in the ministry for thirty years Now it has been
