The Age of Sharing Nicholas A. John,2016-12-01 Sharing is central to how we live today it is what we do online it is a model of economic behaviour and it is also a type of therapeutic talk Sharing embodies positive values such as empathy communication fairness openness and equality The Age of Sharing shows how and when sharing became caring and explains how its meanings have changed in the digital age But the word sharing also camouflages commercial or even exploitative relations Websites say they share data with advertisers although in reality they sell it while parts of the sharing economy look a great deal like rental services Ultimately it is argued practices described as sharing and critiques of those practices have common roots Consequently the metaphor of sharing now constructs significant swathes of our social practices and provides the grounds for critiquing them it is a mode of participation in the capitalist order as well as a way of resisting it Drawing on nineteenth century literature Alcoholics Anonymous the American counterculture reality TV hackers Airbnb Facebook and more The Age of Sharing offers a rich account of a complex contemporary keyword It will appeal to students and scholars of the internet digital culture and linguistics

The Piracy Years Holger Briel,Michael High,Markus

Heidingsfelder,2023-06-15 The Piracy Years Internet File Sharing in a Global Context is the first collection to provide an overview of digital piracy s recent past and its potential futures Combining research essays interviews and overviews the volume brings together leading scholars and infamous digital pirates from China Germany the Netherlands Nigeria Russia the United Kingdom and the United States In June 1999 the peer to peer P2P file sharing website Napster transformed the availability of online content but the site was quickly sued into oblivion Despite the highly publicised shutdowns of a number of P2P websites many continue to thrive and digital piracy has become a global phenomenon This book argues that any future media theory and research will have to contend with such web practices remaining an integral and politically formative part of the Internet Offline and online piracies thrive on technological affordances in opposition to corporate efforts in music film publishing and academia to label them as threatening to the economy and society Therefore this book explores piracy as a phenomenon navigating the conventions norms and boundaries of legality in digital cultures Pirate networked sociabilities work within and outside the fringes of market economy through the lens of institutional and discursive power By creating new ways that keep society moving and from stagnation they ensure its continued existence including the survival of the very areas they attack The Piracy Years is an essential resource for researchers post graduate students and anyone interested in the global spread and ever increasing importance of digital piracy Indian Writing Today ,1967 *History of the Arabic Written Tradition Supplement Volume 1* Carl Brockelmann,2017-08-28 The present English translation reproduces the original German of Carl Brockelmann s Geschichte der Arabischen Litteratur GAL as accurately as possible In the interest of user friendliness the following emendations have been made in the translation Personal names are written out in full except b for ibn Brockelmann s transliteration of Arabic has been adapted to comply with modern standards for English language publications modern English equivalents are given for place names e g Damascus Cairo Jerusalem etc several erroneous dates have been corrected and the page references to the two German editions have been retained in the margin except in the Supplement volumes where new references to the first two English volumes have been inserted **A New English Grammar for Schools** Thomas Wadleigh Harvey,1900 **Essentials of Autism Spectrum Disorders Evaluation and Assessment** Celine A.
