

Copy from Project

II PREFACE:

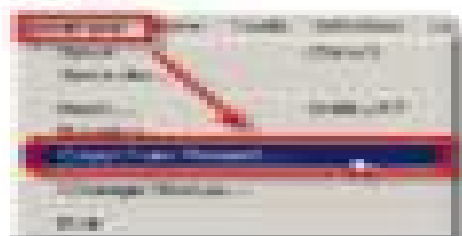

This document has been created with the intent to teach you how to copy your estimate data from an estimate you created manually into a downloaded assignment.

III Projects

1. In the Sample Projects list below there are two Thermo-Growth projects. The one shaded blue is a project that was manually created within Actware. The project highlighted with yellow is the download assignment that was downloaded via KiosNet.

2. To move the estimate data from the manually created estimate into the downloaded assignment, you will first open the downloaded assignment. Then click on the Estimate menu, and choose Copy from Project.
