Your Forces, and how to Use Them Prentice Mulford, 1890 **Your Forces, and How to Use Them** Prentice Mulford, 2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book without typos from the publisher. Not indexed. Not illustrated. 1890 edition. Excerpt caused by the gnawings of its hunger there will be perpetual unrest, uneasiness, and some form of bodily disease. From such cause are thousands suffering to day. They grieve the spirit. That is their worldly education, or rather that portion of their spirit trained almost unwillingly to conform to the opinion and life about them resists the intuition or pleadings of their spirits which they often deem foolish whims and fancies. New thought is new life and renewal of life. A new idea, plan, or purpose fills us with hope and vigor. One secret of eternal life and happiness is to be ever pushing forward toward the new, or forgetting the things which are behind, and pressing forward to those which are before. Eternity and endless space are exhaustless of the new. Senility comes through ever looking back and living in the past. You have nothing to do with the person you were a year ago, save to profit by that person's experience. That person is dead. The You of today is another and a newer individual. The You of next year will be still another and a newer one. I die daily, says Paul. By which he inferred that some thought of yesterday was dead to day and cast off like an old garment. In its place was the newer one. When our spirits are growing healthfully we have done forever with a part of ourselves at each day's end. That part is dead. It is with us a dead thought. We have no further use for it. To use it will injure us. It is cast off as our bodies daily cast off a certain portion of dead skin. To him or her who has increase of new thought a new world is lived in daily. As regards happiness it does not matter so much where we are so that we can bring to ourselves this daily inflowing of new thought. We can so bring to **Your Forces and How to Use Them (Complete Six Volume Edition)** Prentice Mulford, 2017-07-04 Your Forces and How to Use Them is the most profound piece of work by one of the New Thought pioneers, Prentice Mulford. It contains six volumes and each one can be considered a separate book itself. These volumes are composed of numerous essays which, even though some being on various topics, still have one common goal: achieving prosperity and success using forces that are in us and which we are not aware of. The book was written in Mulford's final years and it was not published until after his death. Contents: YOU TRAVEL WHEN YOU SLEEP, WHERE YOU TRAVEL WHEN YOU SLEEP, THE ART OF FORGETTING HOW THOUGHTS ARE BORN, THE LAW OF SUCCESS, HOW TO KEEP YOUR STRENGTH, CONSIDER THE LILIES, THE ART OF STUDY, PROFIT AND LOSS IN ASSOCIATES, THE SLAVERY OF FEAR, WHAT ARE SPIRITUAL GIFTS, THE PROCESS OF RE-EMBODIMENT, RE-EMBODIMENT UNIVERSAL IN NATURE. Prentice Mulford 1834-1891 was a noted literary humorist, comic lecturer, author of poems and essays, and a columnist. He was also instrumental in the founding of the popular philosophy New Thought along with other notable writers including Ralph Waldo Emerson. Mulford's book *Thoughts are Things* served as a guide to this new belief system and is still popular today. He also coined the term Law of Attraction. **Your Forces And How To Use Them**

MULFORD,2017-03-12 Prentice Mulford 1834 1891 was one of the earliest in a long line of New Thought writers coming out of the late 19th century His writings presented in this volume six in total of the White Cross Library were crafted from an original first edition May you read and consider the inspirational truths contained herein [Your Forces and How to Use Them](#) Christian D. Larson,2017-08-21 This classic written by an original proponent of the power of positive thinking shows readers how to develop their talents and improve their daily lives by assuming a cheerful and supportive attitude **Your Forces, and How to Use Them, Vol. 1 (Classic Reprint)** Prentice Mulford,2015-07-09 Your Forces and How to Use Them was originally published in 1903 and has now been republished by Forgotten books Written by Prentice Mulford the book is a sort of original self help book focused on aspects that may be considered new age were the book published today Mulford begins his book with a brief section on God and provides the reader with a glimpse of the perspective from which this book is written The Supreme Wisdom Power and Intelligence is in everything that exists from the atom to the planet states the author Mulford believes that all living beings are connected and that humans must awake to this connection The first several chapters of the book discuss sleeping and dreaming and the connection between dreams and our wellbeing Later chapters focus on self improvement through a variety of streams from focus on physical being to the art of studying to the recognition of the spiritual gifts given to all humans The book concludes with a discussion of re embodiment or the act of spirits migrating to a new body As a self help book Your Forces and How to Use Them is short on any practical advice There are very few applicable pieces of information provided Rather the book is focused mainly on Mulford s belief system which is both scientifically unfounded and spiritually thin It is difficult to imagine this text providing the reader with any advice that could be considered constructive either spiritually or practically Mulford s overly simplistic spiritual viewpoint and lack of

practical advice make *Your Forces and How to Use Them* a tedious read While this book may be of some interest to those curious about what a spiritual self help book looked like in the early twentieth century most readers will not find anything of value in this text Proceed with caution About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Your Forces and How to Use Them Prentice Mulford, 2007-03-01 Grown out of author Prentice Mulford's spiritual nature and study of the metaphysical and the mundane *Your Forces and How to Use Them* originally published in 1911 is at once a description of the mental forces we all possess and an expression of those that are not so obvious but of which we subconsciously take part Touching on topics as varied and as cerebral as dream life memory mesmerism knowledge and the power of positive thinking this fascinating study of the psycho spiritual is a must for anyone curious about the power of the human mind American author PRENTICE MULFORD 1834-1891 is one of the oddest fixtures of 19th century literature After moving for years in the literary and Bohemian sets of San Francisco in the 1860s as a writer of humorous short stories he lived as a hermit in New Jersey where he wrote the books of modern spirituality that made him a pioneer of modern self help philosophies including *Thoughts Are Things* and *The God in You*
