Michael Hall, Dieter Müller, 2018-04-17 Second homes have become an increasingly important component of both tourism and housing studies They can directly and indirectly contribute a significant number of domestic and international visitors to destinations and may be part of longer term retirement lifestyle and amenity migration that can have significant economic and social effects on communities and destination development This volume offers an overview of different disciplinary and methodological approaches to second homes while simultaneously providing a broad geographical reach Divided into four parts exploring governance development community and mobile second homes the book provides a contemporary account of the major issues in an area of growing international interest This timely handbook covers a wide range of dimensions from planning to the role of second homes in development and the management of their impact The international and cross disciplinary nature of the contributions will be of interest to numerous academic fields in the social sciences as well as urban and regional planners *The Routledge Handbook of Tourism Impacts* Dogan Gursoy, Robin Nunkoo, 2019-04-29 This handbook explores and critically examines both positive and negative impacts of tourism development focusing on the past present and future issues challenges and trends from a multidisciplinary global perspective Through a comparative approach involving international case studies this book explores our understanding of tourism impacts and contributes to the theoretical development on relationships between tourism impacts and community support for tourism development This

handbook focuses on a variety of geographical locations drawing from the knowledge and expertise of highly regarded academics from around the world. Specifically it explores the adoption and implementation of various tourism development and impact management approaches in a wide range of global contexts while identifying their trends, issues and challenges. It addresses strategies relating to innovation, sustainability and social responsibility and critically reviews the economic, sociocultural, environmental, political and technological impacts of tourism. The text also identifies future trends and issues as well as exploring the methods used to study tourism impacts. Conveying the latest thinking and research, this handbook will be a key reference for students, researchers and academics of tourism as well as development studies, geography, cultural studies, sustainability and business, encouraging dialogue across disciplinary boundaries and areas of study.

A Research Agenda for Tourism and Development Richard Sharpley, David Harrison, 2019. Tourism is integral to local, regional and national development policies as a major global economic sector, it has the potential to underpin economic growth and wider development. Yet transformations in both the nature of tourism and the dynamic environment within which it occurs give rise to new questions with regards to its developmental role. This Research Agenda offers a state of the art review of the research into the tourism development nexus. Exploring issues including governance, policy, philanthropy, poverty reduction and tourism consumption, it identifies significant gaps in the literature and proposes new and sometimes provocative avenues for future research.

Tourism, 2nd Edition Peter Robinson, Michael Lück, Stephen Smith, 2020-05-22. Fully revised *Tourism* 2nd edition covers aspects of tourism from a modern perspective, providing students with a range of theoretical and research based explanations supported by examples, case studies and unique insights from industry representatives. Covering topics such as policy and planning, heritage management, leisure management, event management and hospitality management, the book tackles the practical elements of academic tourism such as infrastructure management and economic development together with other important contemporary issues such as sustainable development and post tourists.

Tourism in Development Peter U.C. Dieke, Brian E.M. King, Richard A.J. Sharpley, 2020-11-20. Over the last fifty years, tourism has become firmly established as a development option around the world. Commensurate with this, the study of tourism's developmental role has also expanded significantly. There now exists a broad understanding of the policies and processes, opportunities and challenges that apply to tourism's potential contributions to development. As the tourism environment now faces numerous challenges and transformations, it is timely to reflect on contemporary understandings of the relationship between tourism and development and to consider future directions. This thought provoking volume challenges the orthodoxy of tourism and development, highlights past and current events and considers longer term repercussions and developments. It will be a relevant and enduring resource for academics and undergraduate and postgraduate students in tourism.

Tourism, Mobility, and Second Homes Colin Michael Hall, Dieter K. Müller, 2004-01-01. Annotation: Second homes are an integral component of tourism in rural and peripheral areas. This volume represents the first major international review of second

homes for over 25 years The volume represents essential reading for those interested in rural regional development processes Routledge Handbook of Tourism in Africa Marina Novelli, Emmanuel Adu-Ampong, Manuel Aleator Ribeiro, 2020-11-29 This book provides a comprehensive and readable overview of the critical debates and controversies around tourism in Africa and the major factors that are affecting tourism development now and in the future Drawing upon research emerging from collaborations between a growing number of African academics and practitioners based in the continent and in the African diaspora as well as international colleagues the Handbook offers key critical insights into the issues challenges and trends that Africa and African tourism is facing Part I covers continent wide issues such as climate change ICT heritage and development The remaining parts are organised along geographic lines with each chapter covering the development of tourism current trends and discussion of critical issues such as community participation gender backpacking urban tourism wildlife tourism and conservation Combining an overview of key theories concepts contemporary issues and debates this book will be a valuable resource for students academics and practitioners investigating the role of tourism in Africa

Tourism, Tourists and Society Richard Sharpley, 2018-05-01 Tourism Tourists and Society provides a broad introduction to the inter relationship between tourism and society making complex sociological concepts and themes accessible to readers from a non sociological academic background It provides a thorough exploration of how society influences or shapes the behaviours motivations attitudes and consumption of tourists as well as the tourism impacts on destination societies The fifth edition has been fully revised and updated to reflect recent data concepts and academic debates New content on mobilities paradigm and the emotional dimension of tourist experiences New chapter Tourism and the Digital Revolution looking at the ways in which the Internet and mobile technology transform both tourist behaviour and the tourist experience New end of chapter further reading and discussion topics Accessible yet critical in style this book offers students an invaluable introduction to tourism tourists and society

Tourism Development and the Environment: Beyond Sustainability? Richard Sharpley, 2009-09-02 Tourism Development and the Environment Beyond Sustainability challenges the sustainable tourism development paradigm that has come to dominate both theoretical and practical approaches to tourism development over the last two decades It extends the sustainable tourism debate beyond the arguably managerialist blueprint and destination focused approach that continues to characterise even the most recent sustainability agenda within tourism development Reviewing the evolution of the sustainable tourism development concept its contemporary manifestations in academic literature and policy developments and processes the author compares its limitations to prevailing political economic socio cultural and environmental contexts He then proposes alternative approaches to tourism development which nevertheless retain environmental sustainability as a prerequisite of tourism development This book also acts as an introduction to the Earthscan series Tourism Environment and Development About the series Tourism Environment and Development aims to explore within a variety of contexts the developmental role of tourism

as it relates explicitly to its environmental consequences Each book will review critically and challenge traditional perspectives on sustainable tourism development exploring new approaches that reflect contemporary economic socio cultural and political contexts *Cruise Ship Tourism, 2nd Edition* Ross Dowling, Clare Weeden, 2017-01-25 Completely updated and revised Cruise Ship Tourism 2nd Edition covers the economic social and environmental impacts of cruising combining the latest knowledge and research to provide a comprehensive account of the subject Despite the industry growing rapidly there is a substantial gap in the related literature and this book addresses the key issues for researchers students and industry professionals A valuable one stop shop for those interested in cruise ships and maritime tourism this new edition from major names in the field is also an invaluable resource for anyone concerned more widely with tourism and business development

An Introduction to Sustainable Tourism Alexandra Coghlan, 2023-06-10 Fully revised and updated for a second edition it provides a comprehensive pragmatic and realistic look at integrating sustainability into tourism Includes two new chapters on regenerative tourism and disruptors including the impact of COVID 19 and new material on systems thinking influencing behaviours and green marketing *Discovery of Tourism Economics* Larry Dwyer, 2011-04-18 Presents the personal histories of some of the world's leading tourism economists many of whom pioneered the field This book offers a collection of personal experiences and is a literary celebration of the global community of economic scholars working in tourism It provides a culturally and geographically diverse set of autobiographies

Sustainable Tourism, Part B Disha Sharma, Hamid Abdullah, Pramendra Singh, 2024-10-14 The ultimate goal of Sustainable Tourism is to empower the industry to achieve a harmonious balance between conservation and progress forging a responsible and resilient tourism sector that caters not only to contemporary travellers but also safeguards the well being of future generations

The Management of Tourism Lesley Pender, Richard Sharpley, 2005 This text provides detailed coverage of the breadth of issues involved in the management of tourism businesses It explains and supports fundamental business management aspects whilst examining specific techniques required for the successful management of a variety of tourism businesses

Tourism and Development Richard Sharpley, David J. Telfer, 2002 This text explores the role of tourism as a potential contributor to socio economic development in destination areas Establishing a link between tourism studies and development studies it considers what is meant by development the processes through which development may be achieved and in particular a number of fundamental issues related to the use of tourism as a development agent In so doing it challenges conventional thinking about the relationship between tourism and development *Elgar Encyclopedia of Development* Matthew Clarke, Xinyu (Andy) Zhao, 2023-10-06 The Elgar Encyclopedia of Development is a ground breaking resource that provides a starting point for those wishing to grasp how and why development occurs while also providing further expansion appropriate for more experienced academics

Rethinking Tourism and Development Richard Sharpley, David J. Telfer, 2023-09-06 Rethinking Tourism and Development provides a critical analysis of the tourism industry

s impact on development and the environment While tourism contributes significantly to the global economy it also generates environmental costs that can no longer be ignored This book challenges the conventional paradigm of sustainable tourism development and proposes a radical new approach to address the negative impacts of tourism centred on degrowth

International Perspectives of Festivals and Events Jane Ali-Knight, 2008 *International Perspectives of Festivals and Events* addresses contemporary issues concerning the potential of festivals and events to produce economic social cultural and community benefits Incorporating a range of international perspectives the book provides the reader with a global look at current trends and topics which have until now been underrepresented by current literature *International Perspectives of Festivals and Events* includes a broad range of research case studies and examples from well known scholars in the field to form a unified volume that informs the reader of the current status of festivals and events around the world In a fast moving industry where new theory and practice is implemented rapidly this is essential reading for any advanced student or researcher in festivals and events
