

Travelers Tales Of Old Cuba

Paul Ryer

Travelers Tales Of Old Cuba:

Travelers' Tales of Old Cuba John Jenkins, 2002 Few places are as fascinating as Cuba a country that has drawn travellers ever since it was discovered by Columbus in 1492 Magnificently evocative tales of romance drama and the darker episodes of slavery and tyranny take the reader from the pirate days when Havana sheltered treasure ships to the American era when it became a glittering Mafia paradise A unique anthology including work by Anais Nin Langston Hughes and William Cullen Bryant

The Rough Guide to Havana Fiona McAuslan, Matthew Norman, 2010-01-04 The Rough Guide to Havana is the ultimate guide to this lively city in Cuba The full color section introduces the best Havana has to offer This first edition is full of informed descriptions and accurate listings of the best bars restaurants and music venues to be seen at with maps and plans for every area This guide also takes a detailed look at the history of Havana From the Museo de la Revoluci n and other must visit museums and galleries to splendid architectural gems including the Catedral de San Crist bal the Rough Guide steers you to the best restaurants stylish bars caf s and hottest nightlife across every price range The guide provides comprehensive coverage of hotels as well as private homestays the best places to stay for an up close experience of life in Cuba Extensive coverage of the outer boroughs La Lisa and Marianao complements an unprecedented level of detail for the main four city neighborhoods Habana Vieja Centro Habana Vedado and Miramar

Operation Pedro Pan and the Exodus of Cuba's Children Deborah Shnookal, 2022-06-28 This in depth examination of one of the most controversial episodes in U S Cuba relations sheds new light on the program that airlifted 14 000 unaccompanied children to the United States in the wake of the Cuban Revolution Operation Pedro Pan is often remembered within the U S as an urgent rescue mission but Deborah Shnookal points out that a multitude of complex factors drove the exodus including Cold War propaganda and the Catholic Church s opposition to the island s new government Shnookal illustrates how and why Cold War scare tactics were so effective in setting the airlift in motion focusing on their context the rapid and profound social changes unleashed by the 1959 Revolution including the mobilization of 100 000 Cuban teenagers in the 1961 national literacy campaign Other reforms made by the revolutionary government affected women education religious schools and relations within the family and between the races Shnookal exposes how in its effort to undermine support for the revolution the U S government manipulated the aspirations and insecurities of more affluent Cubans She traces the parallel stories of the young Pedro Pans separated from their families in some cases indefinitely in what is often regarded in Cuba as a mass kidnapping and the children who stayed and joined the literacy brigades These divergent journeys reveal many underlying issues in the historically fraught relationship between the U S and Cuba and much about the profound social revolution that took place on the island after 1959 Publication of the paperback edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities

Race to Revolution Gerald Horne, 2014-07-08 The histories of Cuba and the United States are tightly intertwined and have been for at least two

centuries In *Race to Revolution* historian Gerald Horne examines a critical relationship between the two countries by tracing out the typically overlooked interconnections among slavery Jim Crow and revolution Slavery was central to the economic and political trajectories of Cuba and the United States both in terms of each nation's internal political and economic development and in the interactions between the small Caribbean island and the Colossus of the North Horne draws a direct link between the black experiences in two very different countries and follows that connection through changing periods of resistance and revolutionary upheaval Black Cubans were crucial to Cuba's initial independence and the relative freedom they achieved helped bring down Jim Crow in the United States reinforcing radical politics within the black communities of both nations This in turn helped to create the conditions that gave rise to the Cuban Revolution which on New Years Day in 1959 shook the United States to its core Based on extensive research in Havana Madrid London and throughout the U S *Race to Revolution* delves deep into the historical record bringing to life the experiences of slaves and slave traders abolitionists and sailors politicians and poor farmers It illuminates the complex web of interaction and influence that shaped the lives of many generations as they struggled over questions of race property and political power in both Cuba and the United States

Selling Sex in the City: A Global History of Prostitution, 1600s-2000s, 2017-08-28 *Selling Sex in the City* offers a worldwide analysis of prostitution since 1600 It analyses more than 20 cities with an important sex industry and compares policies and social trends coercion and agency but also prostitutes working and living conditions **Cuba** Fiona McAuslan, Matthew Norman, 2003 This ever more accessible island will soon be the hottest Caribbean destination for North American travelers according to the authors who cover all sites and events to suit all budgets of color photos 43 maps

The Verse Novel Linda Weste, 2023-07-28 In these thirty five interviews with verse novelists from Australia and Aotearoa New Zealand Linda Weste explores the uniqueness of storytelling through poetry and the genre of the verse novel Her subjects are notable representatives of a region where verse novels for Adults Children and Young Adults thrive among them is Steven Herrick winner of the prestigious Deutscher Jugendliteraturpreis in 2019 and what they have to say enriches our understanding of the verse novel across each of its publishing categories Revolutionizing Romance Nadine T. Fernandez, 2010 *Revolutionizing Romance* is an account of the continuing significance of race in Cuba as it is experienced in interracial relationships The Cuban Connection Eduardo Sáenz Rovner, 2009-06-01 A comprehensive history of crime and corruption in Cuba *The Cuban Connection* challenges the common view that widespread poverty and geographic proximity to the United States were the prime reasons for soaring rates of drug trafficking smuggling gambling and prostitution in the tumultuous decades preceding the Cuban revolution Eduardo Sáenz Rovner argues that Cuba's historically well established integration into international migration commerce and transportation networks combined with political instability and rampant official corruption to help lay the foundation for the development of organized crime structures powerful enough to affect Cuba's domestic and foreign politics and its very identity as a nation Sáenz traces the routes taken around the world by

traffickers and smugglers After Cuba the most important player in this story is the United States The involvement of gangsters and corrupt U S officials and businessmen enabled prohibited substances to reach a strong market in the United States from rum running during Prohibition to increased demand for narcotics during the Cold War Originally published in Colombia in 2005 this first English language edition has been revised and updated by the author **Beyond Cuban Waters** Paul Ryer, 2021-04-30 Twenty first century Cuba is a cultural stew Tommy Hilfiger and socialism Nike products and poverty in Africa The New York Yankees and the meaning of blackness The quest for American consumer goods and the struggle in Africa for political and cultural independence inform the daily life of Cubans at every cultural level as anthropologist Paul Ryer argues in Beyond Cuban Waters Focusing on the everyday world of ordinary Cubans this book examines Cuban understandings of the world and of Cuba s place in it especially as illuminated by two contrasting notions La Yuma a distinctly Cuban concept of the American experience and Africa the ideological understanding of that continent s experience Ryer takes us into the homes of Cuban families out to the streets and nightlife of bustling cities and on boat journeys that reach beyond the typical destinations all to better understand the nature of the cultural life of a nation This pursuit of Western status symbols represents a uniquely Cuban experience set apart from other cultures pursuing the same things In the Cuban case this represents neither an acceptance nor rejection of the American cultural influence but rather a co-opting or Yumanizing of these influences
