M Carnoy

Walt Disney's Donald Duck En Andere Verhalen:

Cartoonists, Works, and Characters in the United States through 2005 John Lent, 2006-04-30 This penultimate work in John Lent's series of bibliographies on comic art gathers together an astounding array of citations on American cartoonists and their work. Author John Lent has used all manner of methods to gather the citations: searching library and online databases, contacting scholars and other professionals, attending conferences and festivals, and scanning hundreds of periodicals. He has gone to great length to categorize the citations in an easy-to-use scholarly fashion, and in the process has helped to establish the field of comic art as an important part of social science and humanities research. The ten volumes in this series, covering all regions of the world, constitute the largest printed bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation, comics, and cartooning. They are the definitive works on comic art research and are exhaustive in their inclusiveness, covering all types of publications: academic, trade, popular, fan, etc., from all over the world. Also included in these books are citations to systematically researched academic exercises, as well as more ephemeral sources such as fanzines, press articles, and fugitive materials, conference papers, unpublished documents, etc., attesting to Lent's belief that all pieces of information are vital in a new field of study such as comic art.

Leven met een dwangmatige persoonlijkheidsstoornis Ed Berretty, 2002-03-08 Een procent van alle mensen heeft een dwangmatige persoonlijkheidsstoornis. Zo iemand is te plichtsgetrouw, perfectionistisch, prestatiegericht, precies en punctueel. Een persoonlijkheidsstoornis is niet hetzelfde als een kwaal, maar maakt iemand wel kwetsbaar. Ongeveer net zo als ongezond leven, de kans op ziekte vergroot. In *Leven met een dwangmatige persoonlijkheidsstoornis* gaat Sandra op zoek naar zichzelf. Ze krijgt daarbij hulp van familie en bekenden. Zo ontdekt ze stapje voor stapje wat er met haar aan de hand is en wat ze daar aan kan doen. Ga mee op ontdekkingsreis. *Leven met een dwangmatige persoonlijkheidsstoornis* verschijnt in de reeks Van A tot GGZ. De boeken uit deze reeks zijn zowel voor de professional als voor de cliënt uiterst bruikbaar om meer inzicht in diverse stoornissen te krijgen.
