Shekinah Glory Pastor Lorraine D. Lawson, 2018-10-11 Have you ever heard of or seen the Shekinah Glory A photograph was taken inside my country garage After developing the photograph I noticed the appearance of a bright cloud in the picture It is one of the outcomes of a VISION from God HIS visible presence In the Holy Bible the cloud represented the presence of God dwelling living with HIS people Exodus 40 34 35 This book tells of the journey of my faith the significance of Christian inheritance and the importance of obedience to God This book also tells of how God s presence showed up in the willingness unity love and support of so many volunteers dedicated to helping accomplish the goal of building a place where God s spirit would dwell Throughout both phases of completion God s presence was evident through fellowship the Word and prayer To God be the Glory

Loneliness Dilip V. Jeste, M.D., Tanya T. Nguyen, Ph.D., Nancy J. Donovan, M.D., 2022-11-01 Informed by research during the past half century the World Health Organization and other national health and health care bodies have increasingly emphasized the impact of social determinants of health on major health outcomes including quality of life and longevity One risk factor that has become increasingly prominent is loneliness a subjective feeling of distress due to perceived social isolation Loneliness has been shown to have major adverse mental and physical health effects throughout the life span Loneliness Science and Practice is in part a response to the National Academies of Science Engineering and Medicine report released in early 2020 that called for screening for loneliness and social isolation in all health care practices and a need to develop best practices for addressing social isolation and loneliness in all medical subspecialty settings As the COVID 19 pandemic and physical distancing measures emerged in 2020 the need for the dissemination of knowledge of loneliness became even more pressing This book reviews the important and growing literature on loneliness focusing on evidence based findings It addresses both the science and the everyday practice of mental health care that involves the psychobiology of loneliness its appropriate clinical assessment and strategies to prevent and manage its adverse consequences
