however The little terrier mix was with the division at the crucial battle of Soissons at the Saint Mihiel offensive and finally in the blood and mud bath of the Meuse Argonne during which he and his guardian were wounded Despite being surrounded by distraction and danger Rags learned to carry messages through gunfire locate broken communications wire for the Signal Corps to repair and alert soldiers to incoming shells saving the lives of hundreds of American soldiers Through it all he brought inspiration to men with little to hope for especially in the bitter last days of the war From Stray Dog to World War I Hero covers Rags s entire life story from the bomb filled years of war through his secret journey to the United States that began his second life one just as filled with drama and heartache In years of peace Rags served as a reminder to human survivors of what held men together when pushed past their limits by the horrors of battle Watch a book trailer

Intervention Narratives Purnima Bose,2020-01-17 Intervention Narratives examines the contradictory cultural representations of the US intervention in Afghanistan that help to justify an imperial foreign policy These narratives involve projecting Afghans as brave anti communist warriors who suffered the consequences of American disengagement with the region following the end of the Cold War as victimized women who can be empowered through enterprise as innocent dogs who need to be saved by US soldiers and as terrorists who deserve punishment for 9 11 Given that much of public political life now involves affect rather than knowledge feelings rather than facts familiar recurring tropes of heroism terrorism entrepreneurship and canine love make the war easier to comprehend and elicit sympathy for US military forces An indictment of US policy Bose demonstrates that contemporary imperialism operates on an ideologically diverse cultural terrain to enlist support for the war across the political spectrum
