Creating a New Public University and Reviving Democracy Morten Levin, Davydd J. Greenwood, 2016-11-01 Public universities are in crisis waning in their role as central institutions within democratic societies Denunciations are abundant but analyses of the causes and proposals to re create public universities are not Based on extensive experience with Action

Research based organizational change in universities and private sector organizations Levin and Greenwood analyze the wreckage created by neoliberal academic administrators and policymakers The authors argue that public universities must be democratically organized to perform their educational and societal functions The book closes by laying out Action Research processes that can transform public universities back into institutions that promote academic freedom integrity and democracy

Transformational Leadership Styles for Global Leaders: Management and Communication Strategies Roache, Darcia Ann Marie, 2023-09-26 The impact of transformational leadership styles management strategies and communication for organizational effectiveness and employee performance within organizations cannot be overemphasized Leadership as a concept has evolved over the years based on situations practices and change management approaches in organizations The evolution of transformational leadership in organizations is imperative to examine in order to motivate and encourage others to collectively support and work to achieve organizational effectiveness or vision and mission Leadership needs a paradigm shift to influence opportunities and challenges in organizations such as organizational behavior motivation communication and management functions Transformational Leadership Styles Management Strategies and Communication for Global Leaders aims to provide relevant theoretical conceptual and procedural frameworks and the latest empirical research findings that critically examine the areas of leadership leadership styles management studies and communication for leaders globally It is ideal for multi sectoral interests in business and educational organizations chief executive officers executive members team leaders industry leaders human resource directors and personnel leadership and management and practitioners
