Transnational Transcendence Essays On Religion And Globalization:

Transnational Transcendence Thomas J. Csordas, 2009 This innovative collection examines the transnational movements effects and transformations of religion in the contemporary world offering a fresh perspective on the interrelation between globalization and religion Taken as a whole Transnational Transcendence challenges some widely accepted ideas about this relationship in particular that international contemporary religious manifestations are secondary to the primary economic phenomenon of globalization P 4 of cover

Religion, Politics, and Globalization Galina Lindquist, Don Handelman, 2012-11 While social scientists beginning with Weber envisioned a secularized world religion today is forthrightly becoming a defining feature of life all around the globe The complex connections between religion and politics and the ways in which globalization shapes these processes are central themes explored in this volume by leading scholars in the field of religion Does the holism of numerous past and present day cosmologies mean that religions with their holistic orientations are integral to human existence What happens when political ideologies and projects are framed as transcendental truths and justified by Divine authority How are individual and collective identities shaped by religious rhetoric and what are the consequences Can mass murder deemed terrorism be understood as a form of ritual sacrifice and if so what are the implications for our sensibilities and practices as scholars and citizens Using empirical material from historical analyses of established religions to the everyday strife of marginalized groups such as migrants and dissident movements this volume deepens the understanding of processes that shape the contemporary world

Research Handbook on the Sociology of Globalization Christian Karner, Dirk Hofäcker, 2023-07-01 This Research Handbook takes stock of the state of the art in sociological research on globalization and the contributors outline future trajectories for this one of the most pressing and challenging sociological themes of our time

Religion and Mobility in a Globalising Asia SinWen Lau, 2017-07-05 This volume examines the dynamic mutually constitutive relationship between religion and mobility in the contemporary era of Asian globalisation in which an increasing number of people have been displaced forcefully or voluntarily by an expanding global market economy and lasting regional political strife Seven case studies provide up to date ethnographic perspectives on the translocal transnational dimension of religion and the religious spiritual aspect of movement The chapters draw on research into Buddhism Islam Chinese qigong Christianity and communal ritual as these religious beliefs and practices move in and across Singapore Taiwan China Malaysia Hong Kong the upper Mekong region the Thai Burma border the Middle East and France With these diverse and rich ethnographic cases on translocal transnational Asian religious practices and subjectivities the book transcends the conventional nation state centered framework to look into how mobile religious agents are redefining boundaries of local regional national identities and recreating translocal transnational and interregional connectivity In so doing it illustrates the importance of promoting a dynamic understanding of Asia not just as a geopolitical entity but as an ongoing social and religious formation in late modernity This book was published as a special issue of the Asia Pacific Journal

of Anthropology **Asian Migrants and Religious Experience** Bernardo Brown, Brenda Yeoh, 2025-10-01 Typically scholars approach migrants religions as a safeguard of cultural identity something that connects migrants to their communities of origin This ethnographic anthology challenges that position by reframing the religious experiences of migrants as a transformative force capable of refashioning narratives of displacement into journeys of spiritual awakening and missionary calling These essays explore migrants motivations in support of an argument that to travel inspires a search for new meaning in religion *Global Religious Movements Across Borders* Stephen M. Cherry, Helen Rose Ebaugh, 2016-04-22 From global missionizing among proselytic faiths to mass migration through religious diasporas religion has traveled from one side of the world and back again It continues to play a prominent role in shaping world politics and has been a vital force in the continued emergence spread and creation of a transnational civil society Exploring how religious roots are shaping organizations that seek to aid people across political and geographic boundaries service movements this book focuses on how religious movements establish structures to assist people with basic human needs such as food clothing shelter education and health Examining a multitude of faith traditions with origins in different parts of the world seven contributing chapters with an introduction and conclusions by the senior author offer a unique discussion of the intersections between religious transnationalism and social movements Babaylan Sing Back Grace Nono, 2021-11-15 Babaylan Sing Back depicts the embodied voices of Native Philippine ritual specialists popularly known as babaylan These ritual specialists are widely believed to have perished during colonial times or to survive on the margins in the present day They are either persecuted as witches and purveyors of superstition or valorized as symbols of gender equality and anticolonial resistance Drawing on fieldwork in the Philippines and in the Philippine diaspora Grace Nono s deep engagement with the song and speech of a number of living ritual specialists demonstrates Native historical agency in the 500th year anniversary of the contact between the people of the Philippine Islands and the European colonizers Annual Review of the Sociology of Religion. Volume 14 (2023) , 2024-03-04 This volume of the Annual Review for the Sociology of Religion addresses the challenges of the diversity and complexity of sociological approaches to Asian forms and dynamics of Asian or Asian inspired ascetic ideas and practices Eleven papers written by scholars conducting researches in different geographic and cultural contexts all contribute to enrich discussion on the relevance of sociological studies of Yoga meditation and other ascetic techniques and traditions Contributors are Zuzana B rtov Lo c Bawidamann J rn Borup Sally SJ Brown Ugo Dess Marianne Qvortrup Fibiger Marc Lebranchu Patrick S D McCartney Lionel Obadia Matteo Di Placido Alexandros Sakellariou Jo o Paulo P Silveira and Rafael Walthert *Intersections of Religion and Migration* Jennifer B. Saunders, Elena Fiddian-Qasmiyeh, Susanna Snyder, 2016-09-28 This innovative volume introduces readers to a variety of disciplinary and methodological approaches used to examine the intersections of religion and migration A range of leading figures in this field consider the roles of religion throughout various types of migration including forced voluntary and economic They discuss

examples of migrations at all levels from local to global and critically examine case studies from various regional contexts across the globe The book grapples with the linkages and feedback between religion and migration exploring immigrant congregations activism among and between religious groups and innovations in religious thought in light of migration experiences among other themes The contributors demonstrate that religion is an important factor in migration studies and that attention to the intersection between religion and migration augments and enriches our understandings of religion Ultimately this volume provides a crucial survey of a burgeoning cross disciplinary interreligious and global area of study

From Belonging to Belief Julie McBrien, 2017-06-08 *From Belonging to Belief* presents a nuanced ethnographic study of Islam and secularism in post Soviet Central Asia as seen from the small town of Bazaar Korgon in southern Kyrgyzstan Opening with the juxtaposition of a statue of Lenin and a mosque in the town square Julie McBrien proceeds to peel away the multiple layers that have shaped the return of public Islam in the region She explores belief and nonbelief varying practices of Islam discourses of extremism and the role of the state to elucidate the everyday experiences of Bazaar Korgonians McBrien shows how Islam is explored lived and debated in both conventional and novel sites a Soviet era cleric who continues to hold great influence popular television programs religious instruction at wedding parties clothing celebrations and others Through ethnographic research McBrien reveals how moving toward Islam is not a simple step but rather a deliberate and personal journey of experimentation testing and knowledge acquisition Moreover she argues that religion is not always a matter of belief sometimes it is essentially about belonging *From Belonging to Belief* offers an important corrective to studies that focus only on the pious turns among Muslims in Central Asia and instead shows the complex process of evolving religion in a region that has experienced both Soviet atheism and post Soviet secularism each of which has profoundly formed the way Muslims interpret and live Islam *Faith in Flux* Devaka Premawardhana, 2018-03-02

Pentecostalism Africa s fastest growing form of Christianity is known for displacing that which came before Yet anthropologist Devaka Premawardhana witnessed neither massive growth nor dramatic rupture in the part of Mozambique where he worked His research opens a new paradigm for the study of global Christianity one centered on religious fluidity and existential mobility and on how indigenous traditions remain vibrant and influential even in the lives of converts In *Faith in Flux* Premawardhana narrates a range of everyday hardships faced by a rural Makhuwa speaking people snakebites and elephant invasions chronic illnesses and recurring wars disputes within families and conflicts with the state to explore how wellbeing sometimes entails not stability but mobility In their ambivalent response to Pentecostalism as in their historical resistance to sedentarization and other modernizing projects the Makhuwa reveal crucial insights about what it is to be human about changing as a means of enduring becoming as a mode of being and converting as a way of life **Moebius**

book looks at the intellectual and spiritual roots of Handelman's initiation into anthropology his work on ritual and on bureaucratic logic analyses of cosmology and innovative essays on Anthropology and Deleuzian thinking Handelman reconsiders his theory of the forming of form and how this relates to a new theory of the dynamics of time This will be the definitive collection of articles by one of the most important anthropologists of the late 20th Century Christian Congregational Music Monique Ingalls, Carolyn Landau, Tom Wagner, 2016-05-23 Christian Congregational Music explores the role of congregational music in Christian religious experience examining how musicians and worshippers perform identify with and experience belief through musical praxis Contributors from a broad range of fields including music studies theology literature and cultural anthropology present interdisciplinary perspectives on a variety of congregational musical styles from African American gospel music to evangelical praise and worship music to Mennonite hymnody within contemporary Europe and North America In addressing the themes of performance identity and experience the volume explores several topics of interest to a broader humanities and social sciences readership including the influence of globalization and mass mediation on congregational music style and performance the use of congregational music to shape multifaceted identities the role of mass mediated congregational music in shaping transnational communities and the function of music in embodying and imparting religious belief and knowledge In demonstrating the complex relationship between traditional and contemporary sounds and local and global identifications within the practice of congregational music the plurality of approaches represented in this book as well as the range of musical repertoires explored aims to serve as a model for future congregational music scholarship *The Oxford Handbook of the Study of Religion* Michael Stausberg, Steven Engler, 2016-10-27 The Oxford Handbook of the Study of Religion provides a comprehensive overview of the academic study of religion Written by an international team of leading scholars its fifty one chapters are divided thematically into seven sections The first section addresses five major conceptual aspects of research on religion Part two surveys eleven main frameworks of analysis interpretation and explanation of religion Reflecting recent turns in the humanities and social sciences part three considers eight forms of the expression of religion Part four provides a discussion of the ways societies and religions or religious organizations are shaped by different forms of allocation of resources Other chapters in this section consider law the media nature medicine politics science sports and tourism Part five reviews important developments distinctions and arguments for each of the selected topics The study of religion addresses religion as a historical phenomenon and part six looks at seven historical processes Religion is studied in various ways by many disciplines and this Handbook shows that the study of religion is an academic discipline in its own right The disciplinary profile of this volume is reflected in part seven which considers the history of the discipline and its relevance Each chapter in the Handbook references at least two different religions to provide fresh and innovative perspectives on key issues in the field This authoritative collection will advance the state of the discipline and is an invaluable reference for students and

scholars *Zorba the Buddha* Hugh B. Urban, 2016-01-12 *Zorba the Buddha* is the first comprehensive study of the life teachings and following of the controversial Indian guru known in his youth as Bhagwan Shree Rajneesh and in his later years as Osho 1931 1990 Most Americans today remember him only as the sex guru and the Rolls Royce guru who built a hugely successful but scandal ridden utopian community in central Oregon during the 1980s Yet Osho was arguably the first truly global guru of the twentieth century creating a large transnational movement that traced a complex global circuit from post Independence India of the 1960s to Reagan s America of the 1980s and back to a developing new India in the 1990s The Osho movement embodies some of the most important economic and spiritual currents of the past forty years emerging and adapting within an increasingly interconnected and conflicted late capitalist world order Based on extensive ethnographic and archival research Hugh Urban has created a rich and powerful narrative that is a must read for anyone interested in religion and globalization Economics of Religion Lionel Obadia, Donald C. Wood, 2011-10-25 Explores the fresh paradigms of religious economics and economies of religion under the scope of transdisciplinary and international perspectives This title examines and appraises some of the theoretical developments and methodological innovations in religious and social sciences

Dream Trippers David A. Palmer, Elijah Siegler, 2017-11-27 Over the past few decades Daoism has become a recognizable part of Western alternative spiritual life Now that Westernized version of Daoism is going full circle traveling back from America and Europe to influence Daoism in China *Dream Trippers* draws on more than a decade of ethnographic work with Daoist monks and Western seekers to trace the spread of Westernized Daoism in contemporary China David A Palmer and Elijah Siegler take us into the daily life of the monastic community atop the mountain of Huashan and explore its relationship to the socialist state They follow the international circuit of Daoist energy tourism which connects a number of sites throughout China and examine the controversies around Western scholars who become practitioners and promoters of Daoism Throughout are lively portrayals of encounters among the book s various characters Chinese hermits and monks Western seekers and scholar practitioners as they interact with each other in obtuse often humorous and yet sometimes enlightening and transformative ways *Dream Trippers* untangles the anxieties confusions and ambiguities that arise as Chinese and American practitioners balance cosmological attunement and radical spiritual individualism in their search for authenticity in a globalized world
