Torn God Crying Donna C. Dozier, Ph.d.,2013-12 **TORN GOD CRYING Stripping Judaism from Christianity** Why does our Torn God cry betrayal and massacre over the condition of His creation If we can park our paradigms and search with an open mind we may discover that many of the reasons for our God's tears are hidden in plain sight The research within these pages looks behind the stuffed symbols and coathanger haloes of current Christianity and follows the Jewish Rabbi named Yeshua no His name was not Jesus and his first century sect of Judaism known as the Way As we follow the course of Christianity through its twists and turns shedding any and all foundations of Judaism the Israel of God and in the process the God of Israel while accumulating pagan and imagined traditions and proclaiming itself the New Israel we may clearly see why our Torn God Cries

The Gospel of Mark (Catholic Commentary on Sacred Scripture) Mary Healy,2008-11-01 There is an increasing hunger among Catholics to study the Bible in depth and in a way that integrates Scripture with Catholic doctrine worship and daily life In October 2008 a meeting of the world Synod of Bishops scheduled by Pope Benedict XVI will focus on The Word of God in the Life and Mission of the Church Coinciding with that meeting is the launch of the Catholic Commentary on Sacred Scripture CCSS a series that responds to the desire of Catholics to access the living Word of God The Gospel of Mark is the first of seventeen volumes which will cover the entire New Testament Written by trusted Catholic biblical scholars these commentaries interpret Scripture in the light of Catholic tradition Accessibly written yet substantive the CCSS fills a gap in the available literature by offering commentaries that cover more than brief study guides but are less daunting than scholarly commentaries

The Tears of Silence and the Holy Land of Hypocrisy , The Tears of Silence and the Holy Land of Hypocrisy is a journey through broken promises manipulated truths and the unbearable silence that falls between bombs It does not aim to take sides it aims to reveal what is forgotten the human soul beneath the slogans the tears behind the headlines the children who grow up learning the sound of drones before they learn their own names In a world where pain is politicized and suffering turned into spectacle this book dares to ask What is the cost of believing blindly Who profits when truth is silenced And what happens to a people any people when their grief is used their resistance reduced and their humanity rewritten Drawing from raw testimony psychological depth and prophetic reflection the author offers a narrative that cuts through noise and demands to be felt This is not just about Palestine It is about power It is about language It is about the war that lives not only in the land but in the minds and hearts of those who are taught what to see and what not to feel From the ashes of Gaza to the silence of Arab palaces from the corridors of Western hypocrisy to the ancient texts turned into weapons this book holds a mirror to our modern world and it does not look away If you still believe peace is more than a word and justice more than a
