Transformative Leadership A Reader Counterpoints:

Transformative Leadership Carolyn M. Shields, 2011 This thought provoking reader is a collection of original chapters by authors from five different countries each of whom explores a facet of transformative leadership **Rethinking Teacher Preparation Program Design** Etta R. Hollins, Connor K. Warner, 2021-05-30 This book provides a framework concrete examples and tools for designing a high quality academically robust preservice teacher preparation program that empowers teachers with the depth of professional knowledge and the skills required to become adaptable responsive K 12 teachers ready to engage with diverse groups of students and to achieve consistent learning outcomes Renowned teacher educators Etta R Hollins and Connor K Warner present a systematic approach for developing a teacher preparation program characterized by coherence continuity consistency integrity and trustworthiness as well as one that is firmly grounded in collaboration between faculty community members and other school practitioners This book offers an evidence based roadmap relevant for teacher educators administrators scholars agencies at the state and national levels and any organization that serves teacher educators **African American Women Educators** Karen A. Johnson, Abul Pitre, Kenneth L. Johnson, 2014-03-18 This book examines the lived experiences and work of African American women educators during the 1880s to the 1960s Specifically this text portrays an array of Black educators who used their social location as educators and activists to resist and fight the interlocking structures of power oppression and privilege that existed across the various educational institutions in the U S during this time This book seeks to explore these educators thoughts and teaching practices in an attempt to understand their unique vision of education for Black students and the implications of their work for current educational reform **Pedagogies for Teaching First-Generation College Students and the Dynamics of Globalized Classrooms** Simon Mary Asese Ahiokhai, Matt Daily, Layla Garrigues, 2025-09-23 This book examines how higher education institutions positively enhance the learning experiences of first generation college students What systems in our communities and world are intentionally or unintentionally producing the realities of first generation identities and how can these be upended through a deliberate pedagogical turn With these questions in mind this book aims to highlight the relevant and dynamic pedagogical skills and tools that institutions can employ to address the demands of globality and difference in the classroom Challenging traditional deficit focused perspectives used to discuss first generation students the book highlights alternative strengths based support methods to improve the experiences and outcomes of first generation college students This book will appeal to scholars researchers and upper level students with interests in higher education cultural studies philosophy of education and decolonial studies **Administration, Leadership, Finance, and Budgeting in Higher Education and Student Affairs** Gabriel R. Serna, Florence M. Guido, Gabriel Pulido, 2025-10-06 This book will lay the foundation for neophyte student affairs administrators to understand their role more clearly in how money works and for whom It weaves together traditionally bounded topics of administration finance budgeting and even leadership and

management and shows how those aspiring to student affairs leadership roles can individually and collectively center diversity and equity using theory and research to inform their administration leadership finance and budgeting practices It will increase your literacy in finance and budgeting and enhance your leadership in higher education and student affairs In the chapters about administration you gain knowledge about administration and management in student affairs and an understanding of organizational structure in student affairs and higher education through the lens of organizational theories Leadership theories and practice are discussed extensively and in depth in the following four chapters While exploring these theories the authors skillfully integrate their own personal leadership experiences into the existing knowledge The distinctive value of the leadership content is the inclusion of leadership at HBCU AANAPISI Tribally Controlled Colleges HIS and community colleges In the remaining ten chapters not only will you grasp a comprehensive understanding of the theoretical framework of finance in higher education but also acquire literacy of the nuts and bolts of finance and budgeting including the related federal policies on finance and spending and their implementation in higher education and student affairs In addition individual i e reflective and group exercises at the end of each chapter engage students who can apply this necessary knowledge to student affairs and higher education s numerous and varied contexts

The Leadership of Organizational Change Mark Hughes, 2015-10-05 Understanding both leadership and change have been recurrent and popular themes within the business management and organization studies literature However our understanding of leadership and organizational change in combination is far more limited The Leadership of Organizational Change offers a critical review of the evolution of leadership and organizational change for the past thirty five years taking stock of what we know identifying what we do not know and establishing how the study of the leadership of change should advance In the late seventies and early eighties as interest in managing and leading change was fuelled by the competitive threat of Asia in general and Japan in particular as perceived by western businesses and governments Burns 1978 writing in his landmark book Leadership at this time referred to an intellectual crisis The crisis of leadership today is the mediocrity or irresponsibility of so many of the men and women in power but leadership rarely rises to the full need for it The fundamental crisis underlying mediocrity is intellectual If we know all too much about our leaders we know far too little about leadership While the study of managing change has benefitted from sustained critical scrutiny particularly in the last decade it is believed that this is to have been at the expense of critical scrutiny of leading change The Leadership of Organizational Change critically reviews how the study of leading change has advanced since 1978 and the crisis of intellectual mediocrity

Leadership Naveena Prakasam, 2023-03-17 This book explores the different facets and wide ranging approaches to leadership from the evolution of leadership with a focus on traits to critically assessing various styles and approaches to leadership Chapters explore social constructionist approaches to leadership relational leadership ethics leadership and strategic HRM power and the dark side of leadership as well as the implications of leadership in the digital era and

leadership in an age of increased surveillance The book critiques the domination of Western white and masculine centric approaches to leadership while examining the gendering and racialisation of leadership and issues pertaining to exclusion and inclusion Features include Non Western case studies that give a truly global outlook A Decolonising Leadership feature that highlights diverse sources and perspectives to encourage you to look beyond the traditional leadership canon Reflective questions that encourage critical thinking Suitable for upper undergraduate and postgraduate students studying leadership
