Translation Teaching From Research To The Classroom:

Translation Teaching, from Research to the Classroom Sonia Colina, 2003 This new title in the McGraw Hill Second Language Professional Series contributes to the emerging new discipline of Translation Studies and more specifically to translation pedagogy As such it connects theory and research to teaching practice through a pedagogical framework that serves as the foundation for teacher education and preparation While it has as a goal the explanation of relevant theoretical and empirical research its more encompassing objective is to serve as a handbook for the training of translation teachers The result is a systematic methodology of translation teaching that replaces the anecdotal approaches that have been dominant in this field
