Trapped Francis Rose (author),1901 **Defy The Ravaged** E M Raegan,2020-09-18 My name is Willow His name is Jason He hated me I hated him while silently hiding how much all that hate hurt deep down inside me But all that was before Before everything changed Before I woke up to gunshots and screaming and death Now he still hates me along with his Uncle Paulie and their club brothers But I don t hate him I can t not after he came for me Not after he saved me Not now that the ravaged are here They come at you like you re nothing With their feral snarls and bloodshot eyes Their decaying

mouths salivating for a bite of you They are hungry for life and we are their meal I didn't want to believe it I didn't want to accept it But I can't ignore them now that they're everywhere Now that the threat of them haunts us every waking moment With Jason standing between them and me I can't hate him anymore I don't want to Defy the Ravaged is a compilation of the four part romantic dystopian series originally published separately as novellas It includes Willow Thrive Hunted and Defend This story ends with an epilogue but is just the beginning of an epic dystopian series Warning For Readers 18 years and older Contains explicit sexual situations possible triggers dark themes language and violence Reviews Zombies blood death life love and a psychopath all make for a really great read Add a handsome Marine a motorcycle and his club and it is perfect Amazon Reviewer Loved this book Characters are well developed and it has a great story It is emotional raw and gripping I literally couldn't put it down Amazon Reviewer Really one of the best zombie books I've read in awhile Between her post apocalyptic and her sci fi books this author is becoming one of my favorites Amazon Reviewer There are so many twists and turns you never know what's going to happen next I was so involved in this book that when I was reading I paid attention to nothing else around me Amazon Reviewer I devoured it There's so much happening between the fall of civilization itself and the relationship between Willow and Jay I love how the romance never takes a back seat but the action is pretty much constant So much love this series Amazon Reviewer This book made me forget about time I totally lost a night reading this and not realizing it's morning already From the first page to the last You will be drawn to it The writing is so good and flawless you just flow with it Non stop action must read I can't wait for the next one Amazon Reviewer This book hooks you from the beginning I couldn't put it down once I started to read it Can't wait for the next book Amazon Reviewer It Took a Zombie Apocalypse Jessica E. Subject, 2017-01-30 It started with a kiss Then the zombies came Now Missy must work with the neighbor her parents hate if she wants to survive But zombies aren't the only threat to her life or her heart **Zombie Apocalypse** Jessica Baker, 2020-05-20 Seattle Summer So much blood Having fled the zombie outbreak in their hometown of Lynden Violet and Fynn are on the run in an abandoned SUV Desperate to find her mother and sister Violet has driven Fynn to Seattle with her but with very little petrol and even less of a plan time is running out for the duo Like Lynden Seattle has become a post apocalyptic battlefield of the undead where death is imminent and survival is a victory Arriving at the hospital where Violet's mother Elena is a nurse Fynn and Violet encounter the apocalypse firsthand The walking dead have spread like a plague and if they don't find Elena here Violet and Fynn will be forced to travel further into the zombie infested city to try and rescue her last remaining family members But all is not as it was in Lynden The zombies are learning to adapt to their surroundings and fast While the undead used to flounder blindly relying mostly on their sense of smell the zombies in Seattle are developing superhuman strength and sensory superpowers that enable them to hunt human flesh with even deadlier speed and accuracy Mutant spider like creatures scale buildings local pets become life threatening and human traits are amplified with ferocious intent Faced with deserted streets and ever stronger zombie attacks Violet and Fynn need each

other more than ever as they advance deeper into this dangerous new world But are the two fugitives really as alone as they think Could there be others who have survived the flesh eating pandemic a last remaining hope for a world under attack Or are Violet and Fynn the sole survivors of the deadliest summer in living memory Amidst the chaos Violet is realizing that there is more to Fynn than his tough exterior and has he always been that handsome While life as they know it crumbles around them the pair find solace and safety in each other But does Fynn remember their first kiss the way Violet does Or is their chemistry a passing connection forged out of desperation in their terrifying circumstances

BROKEN IMOGEN. KEEPER,2020 **Apocalypse Cowboy** Eve Langlais,2015-04-02 It figured that the last man on earth would be the one who broke her heart The world died practically overnight leaving behind sparse pockets of survivors who must learn to live without electricity internet cable or grocery stores When it came to survival it was kill or be killed When Brody rides off into the sunset with grandiose dreams he leaves behind not just his small town but also his first love But the hopes he had of making it big are shattered when a deadly virus hit Lonely in this new reality he finds himself drawn back to his hometown and rediscovers the woman he left behind Hannah never thought the expression Not if you were the last man on earth would ever come back to haunt her but when the world s population is decimated by a deadly virus she regrets her words especially when Brody comes riding back into her life A very alive Brody who reminds her she s not just a survivor but also a woman Eking out an existence in this new world is hard Forgiving the blunders of the past sometimes harder Against all odds Brody and Hannah survived the plague but will their stubborn nature still tear them apart
