My Steps to Sobriety Stephan Neff, 2020-07-13 What does it take to get sober and stay that way I am a medical doctor and I am an alcoholic in recovery I have experienced both sides of the story and have learned a myriad of lessons many of them indeed the hard way I have struggled with alcohol I have been where you are I have lived a life of secrets and lies But the past does not equal the future I am a survivor I have joined a special band of brothers and sisters We all share the same past we have gone through hell but we kept going I have been to rehab and over the last 2295 days I have taken one tiny baby step after the other until I now live a life so beautiful I could have never imagined in my wildest dreams I am not religious but the 12 step program worked for me I saw it as a blue print how to save a failing business And I was all invested in this particular business after all we were talking about my life In My Steps To Sobriety I share with you my insights my knowledge and my passion for life I show you how I ended up in a fantastic world where alcohol simply has no place any more Chapters one and two give you an insight into the real face of alcohol It s impact on people like you and me as well as it s damage to society Chapter three demystifies alcoholism and I will explain to you why alcoholism is a disease in the truest meaning of the word Chapter four goes into the nitty gritty of the twelve steps I explain each and every step with examples and provide action plans wherever sensible This is where the magic happens This is where you will learn the reasons behind your drinking and what to do about them Chapter five discusses alternative programs whilst chapter six finally looks beyond the twelve steps Here is where I focus on the challenges that our lives throw at us on a daily basis From relationships to stress from cross addiction to sober shaming to the number of mental health problems we all are facing If you are serious about turning your life around this book can help you with the right steps If your loved one goes through hard times with alcohol and you struggle to understand what s going on this book will help you Recovery works if you work at it And rehab is truly for quitters
