Waar Wij Ballingen Zijn Essays Over Joodse Letterkundigen In Nederland:

Dutch Jews as Perceived by Themselves and by Others Chaya Brasz,Yosef Kaplan,2021-11-22 How did Jews in the Netherlands view themselves and how were they viewed by others This is the single theme around which the twenty five essays in this volume written by scholars from the Netherlands Israel and other countries revolve The studies encompass a variety of topics and periods from the beginning of the Jewish settlement in the Dutch Republic through the Shoah and its aftermath They include examinations of the Sephardi Jews in the seventeenth and eighteenth centuries the Jews in the periods of Emancipation and Enlightenment social and cultural encounters between Jews and non Jews throughout the ages the image of the Jew in Dutch literature in the nineteenth and twentieth centuries and the churches attitudes toward Jews Also highlighted are the second World War and its consequences Dutch Jews in Israel and Israelis in the contemporary Netherlands

This Cannot Happen Here Ben Braber,2025-10-01 How did the integration of Jews into Dutch society influenced Jewish resistance during the German occupation of the Netherlands in the Second World War In this book Ben Braber answers the question how the integration of Jews into Dutch society influenced Jewish resistance during the German occupation of the Netherlands in the second world war This study highlights the social position of Jews and their group characteristics but also reviews other factors that determined what forms Jewish resistance took such as personal character and individual circumstance This is the first comprehensive study of this subject in the English language of Jewish resistance in the Netherlands It offers a new perspective on Jews during the Holocaust and counters the prejudice about Jews failing to resist persecution This book is also relevant for today s multi ethnical society It is a case study about the hampered integration of a minority in particular how people in this group react when they are forcefully segregated and persecuted while thinking this cannot happen here
