through a maze in a dark tunnel that had no light in it The tunnel was comparable to my life which was cold dark and empty
and had no sense of direction in it I was lost and could not find my way in it or out of it because it was so dark But I believed
that the light I needed so desperately was at the end of the tunnel So consequently I spent my entire life wandering aimlessly
in the tunnel looking for light in the darkness After a lifetime of searching I found the light at the end of the tunnel and
discovered that the darkness had nothing to do with the tunnel because it was just as dark on the outside of the tunnel as in
