Voices of Change in the Spanish American Theater William I. Oliver,2014-11-06 The aim of this anthology is to present a selection of plays that are representative of a fresh spirit and of societal pressures and changes in Spanish American culture The plays shun the earlier realistic sentimental and melodramatic conventions of Spanish American theater Instead they reflect the tenor of the dramatic imagination of the mid to late twentieth century an imagination that sought new forms and ways of expressing a new awareness of the Spanish American dilemma In selecting these plays William I Oliver looked for more than mere illustrations of these changes As a practicing director and playwright he sought works that are effective on the stage as well as on the page As an editor and translator he sought works that could be translated culturally as well as linguistically The six plays in this varied and vigorous anthology are the measure of his success The plays included are *The Day They Let the Lions Loose* by Emilio Carballido Mexico *The Camp* by Griselda Gambaro Argentina *The Library* by Carlos Maggi Uruguay *In the Right Hand of God the Father* by Enrique Buenaventura Colombia *The Mulatto s Orgy* by Luisa Josefina Hernandez Mexico and *Vi a Three Beach Plays* by Sergio Vod novic Chile
