Wake Up Lazarus On Catholic Renewal:

Wake Up, Lazarus! Pierre Hegy, 2012-01-17 Today's Catholic Church faces a major decline and a dramatic renewal is needed to facilitate positive change. In *Wake Up Lazarus*, author Pierre Hegy documents the most important issues facing modern Catholicism and presents a convincing argument for renewal in the Catholic Church. *Wake Up Lazarus* examines three general factors that contribute to the spiritual decline of all mainline churches and three factors that are special to the Catholic Church. Hegy describes the inner workings of two successful parishes: one evangelical and the other Catholic. To illustrate the strategies used that contribute to vibrant and growing church communities, he also reviews various renewal plans and then presents his personal long-term plan for renewal in the Catholic Church with practical implementation suggestions included in each step. Hegy communicates that the strategy and principles of Catholic renewal must lead passive Sunday churchgoers to become active participants; it must help active participants to become involved in parish life and it must inspire all involved to become committed disciples.

Wake Up, Lazarus! Volume II Pierre Hegy, 2013-06 This book presents research in three new areas: Sunday liturgies, homilies, and pastoral concepts. First, it presents to the readers the major Latin American document *Disciples and Missionaries of Jesus Christ*, which sets the course of the Church in Latin America for the next decade. Next, I present the findings about the Sunday liturgies in 100 churches: 50 in Guatemala and 50 in the U.S. The following chapter analyzes 100 Sunday homilies in comparison to lay talks, homilies by Fr. Robert Barron, and evangelical sermons. In one more chapter, I discuss basic concepts for pastoral research. Chapter 6 discusses the consequences of papal centralization for church renewal. The last chapter outlines ten basic paths of renewal. What is new in this book is the research on Sunday liturgies, homilies, and pastoral concepts.
