The Seven Deadly Sins Kevin Hunter,2016-03-12 The Seven Deadly Sins is a pocket book that takes a look at the traditional sins in a practical way The Seven Deadly Sins in today s language would be the Seven Toxic Challenges Being aware of these toxic challenges are helpful since falling into a deadly sin creates a block from achieving greatness finding peace and picking up on the messages and guidance coming in from Heaven The messages and guidance are intended to help guide you along your path You were born with an ego that expands as it enters the Earth s atmosphere This ego causes you to struggle and have conflicts as it attempts to take over you and dominate your actions thoughts and feelings When your ego runs recklessly it grows and expands into darkness The dark ego is what prompts you to wrestle with challenges in this lifetime These challenges were called sin during ancient times The sins committed can delay you on your path and wreak havoc on your soul s innate system This innate system is the higher self part of you that governs your life through a broader perspective The seven deadly sins were created in order to assist human souls in making sounder choices They are challenges that all human souls wrestle with to one degree or another When you re deeply absorbed in these toxic challenges then it causes an array of issues and complications on your life path These sins or challenges prevent the positive flow of energy and abundance in your life They also play a hand at creating a block that stops up the communication line with your team on the Other Side The sins or toxic challenges looked at include Pride Envy Greed Lust Gluttony Wrath and Sloth

Albany Law Journal ,1890 *Sermons for the Christian year* John Keble,1876 [Imagine This](#) Colin Stitt,2012-05 For decades or maybe centuries the Church has ignored some of the most crucial truths found in God s word The author has been shown these truths over a long period of time resulting in an incredible transformation of his life For any person who is serious about his her walk with Christ these truths are absolutely essential in order to grow in grace and the knowledge of the truth The author s lament is If only I had

been taught these truths decades ago I may well have enjoyed life to the fullest and experienced the joy of His salvation many years ago Sadly he is close to his life s expected time span and will not have the time to enjoy such a life for very long But his desire is that many people who believe they are Christians will read this book with hungry open hearts ready to hear from God accept the truth be set free and experience the joy of His salvation far earlier in life than the author The United States of America is spiritually sick in desperate need of healing The author offers some very wise advice to the Church in America which would change the direction of this nation if accepted and applied to the lives of those who profess to know Christ The teaching found in this book is not the author s opinion but rather the exposition of scripture in a clear and concise manner He believes that his doctrinal stance ideology or opinions are worth nothing so he simply and clearly brings to light the teaching of God s word much of which has been ignored for far too long
