Waking Dream Therapy Waking Dream Therapy:

Waking Dream Therapy Gerald N. Epstein, 1992-01-12 For the past one hundred years psychotherapy has neglected the inner world of image in favor of words Now Dr Gerald Epstein presents the next evolution in therapy Waking Dream Epstein's approach is brief effective and powerful Waking Dream Therapy uses mental imagery to journey inward The explorer starts from a waking state and via imagination reenters a night dream fragment to explore the dream This inner journey reveals new directions and jolts the person to change The book also contains a history of imagination instructions for the process examples of waking dreams and the meaning of symbols It appeals both to clinicians and to anyone who seeks self

transformation **Waking Dreams** Allan Frater, 2021-09 In a waking dream we inhabit the dreamworld with an awareness of doing so as sometimes happens upon waking from sleep when a dream continues to feel present alongside an awareness of lying in bed Taking perspectives from transpersonal psychology ecotherapy complexity theory and fractal geometry this book develops new possibilities within waking dream practice also known as active imagination and guided imagery to show how the in between waking dreaming experience allows us to become aware of not just what we imagine but also the process of how we imagine a process that reveals the principles and skills of image based transformation and healing how a broad understanding of imagination as present in all perceptions actions and relationships not just as pictures inside the mind allows for an image centric approach to psychotherapy and everyday life as an ongoing eyes wide open waking dream The result is an experiential and theoretical appreciation of imagination not just as a means to rational insight but as a creative ability at the heart of human potential If you are interested in cultivating a richer story filled and enchanted existence or you are a therapist wanting to help others do so this might be the book you have been waiting for *Waking Dreams* Mary M.
