The Christian's Biggest Challenge: And Other Hard Truths Concerning Suffering Clayton Howard Ford, 2019-04-19 Suffering whether it has come through sickness tribulation or persecution has been an integral part of the Christian lifestyle throughout Church history But it is not an integral part of the modern Western lifestyle Some would even teach that suffering should not be an integral part of the modern Christian lifestyle The Word of Faith ministers would have us believe that God wants us to be healthy and wealthy all of the time even on this earth in this lifetime These essays challenge us to look afresh at the role of suffering in whatever form it takes in the Christian's life They remind us that we Christians are called by God to suffer not only for our sake but also for the sake of others and for the sake of Christ And they remind us that no matter how long we suffer it is only temporary We have another life waiting for us These essays were written to help us to understand what the Word actually says about healing and suffering and so find the faith to endure
