Camper,2025-01-22 Having made it our business to give God our best as we have sown in excellence the result is that we see ourselves beginning to reap to be clearly and truly blessed From our sowing not only are we blessed but so are those who we have begun to minister to in excellence After our season of struggle and then of hope we begin to operate in excellence doing things in an excellent way and as unto God With this intentional sowing comes reaping We come into our season of reaping in which we may even be surprised ourselves as God begins to use us greatly to make a difference in the kingdom We are able to recognize blessings both resources and opportunities During this season we also gain the favor of people as we begin to see how God is moving us towards achieving His Purpose for our lives as we minister to the hearts and souls of His people and enjoy the blessings that accompany doing what you do as unto God for His Glory We find that the reaping we experience is made even greater by the joy that comes from recognizing that God has blessed us to do what He has gifted us to do for the sake of the kingdom Reaping is actually receiving what God the One Who knows us best has for us that will be helpful in our achieving His great purpose for our lives Find your story in these poems and meditations
