Robert P. Vande Kappelle

Walking On The Water With Jesus:

Walking on the Water Rachel Nicholls, 2008 This book explores the usefulness of the concept of Wirkungsgeschichte for New Testament interpretation by analysing Mt 14 22 33 in the light of six works of art and a selection of nineteenth century theological texts

The Faith to Walk on Water Lindsey Bethel, 2013-04-18 Sand between my toes the salt air wrapping around me like a warm summer blanket the crashing of waves and the meeting of sky and water The beach is where I see the handiwork of God As a young child it was there that I wished that I could walk on the water as Jesus and Peter had in Matthew 14 It was there that I learned of faith the faith that requires you to not only step out of the boat but also to focus on Jesus and learn to walk toward Him daily It is not enough to just get out of our comfort zones but now we need to learn to grow and walk toward Him constantly The Faith to Walk on Water takes a look at why standing still in our faith is no longer an option how doubt and fear are overcome by Jesus He does not watch from a distance but He is always there holding out His hand for us to take hold So what are you waiting for Take that step and walk on the water

A Walk on the Waves Mary Manz Simon, 1993 Retells what happened when Jesus walked across a stormy lake to join his disciples in their boat

Walking on Water Robert P. Vande Kappelle, 2020-02-03 How did Jesus do it we wonder How did he walk on water To which we can imagine Jesus responding O ye of literal faith Walk with me on the waters of life explore with me the depths of reality Walking on water is not as one might think about staying on the surface of things but rather about going deep into the ordinary aspects of our lives and finding gold It is not about exotic miracles or blind faith but about living into a new way of thinking Most of us experience a continual flow of ideas images and feelings clinging to these as if they were us They are us but not our True Self They represent the atomized self our small imperial ego While this egocentric False Self is necessary its role is temporary a warm up rather than the adventure itself To ascertain our True Self we must lose the false images that no longer serve us images of God that are insufficient and images of ourselves that are similarly inadequate Bringing to life tales about labyrinths and quests for the Grail Walking on Water encourages us to go with Jesus into death and resurrection encountering the universal Christ there the True Self that gives all humans final meaning and definition Such living saves us from our smaller and untrue selves transforms our consciousness and transports us from limited first half of life living and thinking into second half of life possibilities The dynamic approach to spirituality described in this book a transformational journey nourished by myth metaphor and mystery will promote the wisdom compassion maturity and connectedness we all need and desire

Walk on the Water** Sonya Darcell Johnson, 2022-03-08 Is it possible to live a faith based life Yes When we learn how to apply the word of God to our practical lives then we can overcome all challenges Find out why some believers are so peaceful and happy while in the midst of stormy trials Go Ahead Walk on the Water teaches us how to have victorious outcomes from situations that started as defeats Human effort and divine intervention means victorious lives Like the ocean our lives are always moving The gentle breeze creates the calm ripples of everyday duties that we easily accomplish From those completed goals we gain a sense of satisfaction as we readily embrace our good times of peaceful existence Out of nowhere the happiness and tranquility of an all is well lifestyle is abruptly cut short by the forceful winds of strife We find ourselves in

the middle of a storm with tsunami like waves from an unexpected life event Why did this have to happen now Though we have overcome many obstacles we fixate on stormy trials Believing that our life is out of control the giant waves of worry anxiety and panic take over Fear of the unknown and limited options cause our faith to decrease and we develop spiritual disorientation Because our fears and doubts escalate we become blinded by the threatening storms We cannot see Jesus extending His hands or hear His command to Go ahead walk on the water Faith enables us to listen to His quiet words of comfort I am here with you in the midst of the raging storm God desires that we come to Him as our refuge in the time of trouble As our relationship grows deeper with God we will see His excellent plans and hear the voice of the Holy Spirit guiding us victoriously through the storm Sonya Darcell Johnson [Walking on Water](#) Madeleine L'Engle, 1995-05-31 The bestselling author of such classics as A Wrinkle in Time A Swiftly Tilting Planet and Certain Women reflects on art and faith with the fierce intelligence and imaginative daring that have made her one of our most cherished authors The task of the artist as she sees it involves listening keeping oneself fully aware and then responding to creation with one's own art
