The Pyramid Henning Mankell, 2008 The Pyramid is a collection of 5 short stories plus an additional prologue written especially for German fans which gives readers more insight into the personal life of Kurt Wallander. While it was written after the 8th novel Firewall, the events depicted in The Pyramid take place well before Faceless Killers, making it 1st chronologically in the series. The first story takes place in 1979 while the final occurs in 1989. In the stories, the reader sees Wallander on his first case and also before he meets his future wife Mona. In reviews, it is often noted that there is very little tension built up in the stories, except The Pyramid, usually attributed to the fact that they are so short.

Before the Frost Henning Mankell, 2004 The leader of a religious cult in Guyana instigates a mass suicide. He succeeds in killing himself and his whole flock of worshippers, save one. One man escapes. In the woods in the countryside outside Ystad, the police make a horrific discovery: a severed head and hands locked together in an attitude of prayer. A Bible lies at the victim's side, handwritten corrections and amendments on every page. A string of incidents, including attacks on domestic animals, has been taking place, and Inspector Wallander fears that these events could be the prelude to attacks on humans on a much greater scale. Linda Wallander, preparing to join the Ystad police force, arrives at the station. Showing all the hallmarks of her father, the maverick approach, the flaring temper, she becomes involved in the case and in the process has to confront a group of extremists bent on punishing the world's sinners. Before the Frost is a totally compelling and atmospheric crime story.

Wallander - der Mann, der lächelte, 2005

The Pyramid Henning Mankell, 2008-09-23 The story of the Swedish detective's beginnings, told in five gripping short mysteries. An indispensable chapter to the saga.

Booklist Online: Here are the stories that trace chronologically Kurt Wallander's growth from a rookie cop into a young father and then a middle-aged divorcee, illuminating how he became a first-rate detective and highlighting new facets of the character who remains one of the most impressive and credible creations of crime fiction today.

The Guardian: Wallander's First Case introduces us to the twenty-one-year-old patrolman on his first homicide case: his next-door neighbor seemingly dead by his own hand. In The Man with the Mask, Wallander is a young father confronting an unexpected threat on Christmas Eve. On the brink of middle age, he is troubled by a distant wife as he unravels the poisoning of a lonely vacationer. In The Man on the Beach, newly separated, in The Death of the Photographer, Wallander investigates the brutal murder and the well-concealed secrets of the local studio photographer. In the title story, he is a veteran detective uncovering unexpected connections between a downed mystery plane and the assassination of a pair of elderly sisters. Written from the unique perspective of an

author looking back on the life of his own character these mysteries are vintage Henning Mankell and essential reading for fans of the fiction series or the BBC program Wallander starring Kenneth Branagh The Pyramid is a wonderful display of Mankell s virtuosity powers as the unrivalled master of Swedish crime fiction and one of the finest practitioners of the genre anywhere Toronto Star *The White Lioness* Henning Mankell,2009-11-24 In 1992 in peaceful Southern Sweden Louise Akerblom an estate agent pillar of the Methodist church wife and mother disappears There is no explanation and no motive Inspector Wallander and his team are called in to investigate As Inspector Wallander is introduced to this missing person s case he has a gut feeling that the victim will never be found alive but he has no idea how far he will have to go in search of the killer In South Africa Nelson Mandela has made his long walk to freedom setting in train the country s painful journey towards the end of the apartheid Wallander and his colleagues find themselves caught up in a complex web involving renegade members of South Africa s secret service and a former KGB agent all of whom are set upon halting Mandela s rise to power Faced with an increasingly globalised world in which international terrorism knows no national borders Wallander must prevent a hideous crime that means to dam the tide of history The Dogs of Riga Henning Mankell,2011-03 When a life raft carrying the bodies of two Eastern European criminals washes up on the Swedish coastline Inspector Kurt Wallander travels to Riga Latvia where he struggles against corruption and deceit and risks his own life to uncover the truth **The Man Who Smiled** Henning Mankell,2008-09-04 Spiralling into an alcohol fuelled depression after killing a man in the line of duty Inspector Kurt Wallander has made up his mind to quit the police force for good When an old acquaintance seeks Wallander s help to investigate the suspicious circumstances in which his father has died Kurt doesn t want to know But when his former friend turns up dead shot three times Wallander realises that he was wrong not to listen Against his better judgment he returns to work to head what may now have become a double murder case An enigmatic big business tycoon seems to be the common denominator in the two deaths But while Wallander is on the trail of the killer somebody is on the trail of Wallander and closing in fast Over 35 million copies of the Kurt Wallander series sold worldwide **Wallander Collection** ,2010 **Wallander - Mörder ohne Gesicht** ,2005
