## **Walter Benjamin Bertolt Brecht Wzisl:**

Benjamin and Brecht Erdmut Wzisl, 2016-08-09 Germany in the mid 1920s a place and time of looming turmoil brought together Walter Benjamin acclaimed critic and extraordinary literary theorist and Bertolt Brecht one of the twentieth century's most influential playwrights It was a friendship that would shape their writing for the rest of their lives In this groundbreaking work Erdmut Wzisl explores what this relationship meant for them personally and professionally as well as the effect it had on those around them From the first meeting between Benjamin and Brecht to their experiences in exile these eventful lives are illuminated by personal correspondence journal entries and private miscellany including previously unpublished materials detailing the friends electric discussions of their collaboration Wzisl delves into the archives of other luminaries in the distinguished constellation of writers and artists in Weimar Germany which included Margarete Steffin Theodor Adorno Ernst Bloch and Hannah Arendt Wzisl's account of this friendship opens a window on nearly two decades of European intellectual life

Walter Benjamin and Bertolt Brecht - Erdmut Wzisl, 2009 Erdmut Wzisl's groundbreaking work explores for the first time the important friendship between Walter Benjamin the acclaimed critic and literary theorist and Bertolt Brecht one of the twentieth century's most influential theater artists and poets during the crucial interwar years in Berlin From the first meeting between Benjamin and Brecht to their experiences in exile the events in this friendship are illuminated by personal correspondence journal entries and notes including previously unpublished materials from the friends electric discussions of shared projects In addition to exploring correspondence between the two Wzisl presents documents by colleagues who shaped and shaded their relationship including Margarete Steffin Theodor Adorno and Hannah Arendt Wzisl shows us the fascinating ideological exchanges between Benjamin and Brecht including the first account of Berlin Marxist journal planned for 1931 The Minutes of its meetings record the involvement of Benjamin and Brecht and offer a window onto the discussions on literature and politics that took place under the increasing threat of the German left's political defeat Wzisl's examination of the friendship between Benjamin and Brecht two artists at the height of their creative powers during a time of great political crisis throws light on nearly two decades of European intellectual life

**Walter Benjamin** Howard Eiland, 2014-01-20 Walter Benjamin was perhaps the twentieth century's most elusive intellectual His writings defy categorization and his improvised existence has proven irresistible to mythologizers In a major new biography Howard Eiland and Michael Jennings present a comprehensive portrait of the man and his times as well as extensive commentary on his work

**Bertolt Brecht in Context** Stephen Brockmann, 2021-06-10 Bertolt Brecht in Context examines Brecht's significance and contributions as a writer and the most influential playwright of the twentieth century It explores the specific context from which he emerged in imperial Germany during the late nineteenth and early twentieth centuries as well as Brecht's response to the turbulent German history of the twentieth century World Wars One and Two the Weimar Republic the Nazi dictatorship the experience of exile and ultimately the division of Germany into two competing

political blocs divided by the postwar Iron Curtain Throughout this turbulence and in spite of it Brecht managed to remain extraordinarily productive revolutionizing the theater of the twentieth century and developing a new approach to language and performance Because of his unparalleled radicalism and influence Brecht remains controversial to this day This book with a Foreword by Mark Ravenhill lays out in clear and accessible language the shape of Brecht's contribution and the reasons for his ongoing influence

**"Verwisch die Spuren!": Bertolt Brecht's Work and Legacy**, 2015-06-29 This volume presents a cross section of current Brecht studies reflecting a variety of approaches and perspectives ranging from detailed exegesis of particular texts to cultural criticism in the broadest sense It provides analyses of Brecht's work and investigates his pervasive influence in 20th century literature The studies collected here cover the whole of Brecht's career from the early one acter Kleinbürgerhochzeit of 1919 to the Sinn und Form years immediately preceding his death as well as his use of tradition and his legacy By way of redressing a tendency in Brecht reception to regard him mainly as a dramatist the volume covers novels poetry film photography journalism and theory as well as plays

*Baudelaire Contra Benjamin* Beibei Guan, Wayne Cristaudo, 2019-05-23 This book offers the first sustained argument against the philosophy of Walter Benjamin and his readings of Charles Baudelaire More broadly it is also a critique of politicized aesthetics and cultural Marxism of which Benjamin is a pioneering and emblematic figure Cristaudo and Beibei argue that Baudelaire was not mistaken in refusing to subject aesthetics to morality and politics Baudelaire's refusal was based on the recognition that existential matters such as sickness evil death sexual longing melancholy and beauty itself all themes at the center of his poetry are by nature intrinsically supra political By contrast Benjamin's faith in political redemption while breaking with the enlightenment's faith in progress nevertheless conforms to another core element of faith of the enlightenment via faith in the ability of morals and politics to liberate humanity The authors make the case that Benjamin's understanding of politics is severely deficient because it is not sufficiently versed in an understanding of economics or the nature of class interests and that Marx's own theory of economics is fundamentally deficient and creates an insurmountable problem for those deferring to a future industrial society free from capitalism

*The Palgrave Walter Benjamin Handbook* Nathan Ross, 2025-02-26 Walter Benjamin is one of the most influential authors in contemporary humanities exerting a deep fascination for students and garnering scholarly interest in a variety of fields such as history of philosophy literature film and media studies political science religion architecture art and history This Handbook provides students and scholars with a guide to Walter Benjamin's work that explores each of these areas in depth while also giving the reader a chance to discover connections to other areas of thought In order to do justice to the complexity of Benjamin's thinking this volume includes international scholars from a variety of academic disciplines and is organized such that a dialogue emerges between them Each section presents an argument for the integration of its subject into the whole demonstrating that what might seem specialized and esoteric actually intersects with the problems and questions of the other sections

**Brecht and Tragedy** Martin

Revermann,2021-12-16 Explores Brecht's complex relationship with Greek tragedy and the tragic tradition including significant archival material not seen before      **Benjamin y Brecht** Erdmut Wizisla,2007 Estudio sobre la relación de amistad entre Walter Benjamin y Bertolt Brecht trascendental en lo estético y lo político a través del análisis de numerosos documentos incluidos las actas de las conversaciones sobre la revista que planificaron juntos Krise und Kritik cartas apuntes de los diarios de ambos y notas      **Constellation:Friedrich Nietzsche and Walter Benjamin in the Now-Time of History** James McFarland,Philip James McFarland,2012-09 Elaborates the relationship between the philosopher Friedrich Nietzsche 1844 1900 and the cultural critic Walter Benjamin 1892 1940 through close readings of their respective texts as an example of the precariousness of cultural transmission in the present
